

## Chinese Animal Predictions for 2013. Year of the Yin Water Snake (Gui Si)

© Written by Daniel Hanna 2013

**“Being deeply loved by someone gives you strength, while loving someone deeply gives you courage.”**

I am sure that there will be many Dogs that are glad 2012 is coming to the end, although I know for a fact that so many Dogs, including myself, have benefited from the 2012 annual and monthly advice we gave and also using our annual cures kits and the Master Cure along with the fine tuning of our powerful Feng Shui Software to get as good as possible. Now we enter into a Snake year we need some special cures and enhancers in 2013.

Chinese astrology and western astrology are very different. Chinese astrology is used to inform people of what may take place and how you can apply cures and enhancers to avoid any problems that could potentially arise in your life; Chinese astrology is also about having the information in advance so that you can avoid any of the problems that are predicted. The information on this site for 2013 will help you to be prepared and make informed decisions in 2013 that may affect your wellbeing and endeavours. It is important that you know when and how to avoid bad influences during 2013.

If you follow the advice given to you below and approach the year ahead with a positive attitude, you will be able to avoid much bad luck that is said to be coming to you. You can also do this by reading our **2013 Flying Star (Xuan Kong)**. For example: if you are a Pig and read on our synopsis for the year or somewhere else that the year ahead is going to be bad for you, you can avoid many problems by thinking positive and researching your Flying Star chart. Being able to avoid negative Flying Stars can help you modify your years luck in a good way. There will be many websites and other practitioners that will predict all sorts of problems and calamities for a certain animal in any year. What you need to bear in mind that even though there may be problems arising, there are also solutions to problems that can really turn things around for you which is what we have written in to each synopsis for 2013 for you. Please take this with a pinch of salt and enjoy a great 2013.

You should start to prepare and place your annual cures and enhancers as soon as possible as it really is crucial to get this right. This will set the foundations for a trouble free year; make sure that you check back every month on here for our monthly updates to be even more prepared for the year ahead. You could even use our **professional Flying Star Feng Shui Software or 2013 Tong Shu Almanac Software** which will give you total control on an annual and monthly basis. This year we have combined the software with our annual cures kit to give you even better value and savings.

Those born in the year of the Pig may be affected by the conflicting influences of the year of the Yin Water Snake Gui Si. In saying this, we hope that those born in the year of the Pig are aware of potential difficulties they may encounter during the year and take extra care in whatever they do without taking undue risks. The degree of influence varies from one person to another. One of the major considerations is the heavenly stem of the year in which one was born, more on this later.

To find your animal sign, check the charts below. If you were born before February 4th (Spring Begins), use the year before. If it is after February 4th, then use the same birth year. This is worth double-checking; as you would be amazed how many people born in January or February get it wrong. If you are unsure of your Chinese Animal maybe consider using our **Feng Shui software** that calculates it automatically along with personal Gua, flying stars, annual, fixed and monthly and so much more.

**Some examples:**

- Born 3rd February 1958 = Rooster
- Born 5th February 1958 = Dog
- Born 3rd February 1987 = Tiger
- Born 5th February 1987 = Rabbit

**2013 is the 4711<sup>th</sup> year of the Chinese calendar.**

In China, the solar calendar of the Gui Si (Yin Water) year starts on 4<sup>th</sup> February 2013 at 08:15 China time. In the UK, the new solar year starts on 4<sup>th</sup> February 2013 at 00:15. In California USA it will start 4<sup>th</sup> February 2013 at 16:15 and if you live in Barcelona you would place your cures at 01:15. Every year we put together a page on **Chinese New Year world times 2013** that will help you confirm the times and dates for the Chinese New Year's Solar and lunar. This is not the **Chinese New Year 2013** you would celebrate; please check this website for further details.

"Seven days without laughter makes one weak."

**Rat**

3 Feb 1924–3 Feb 1925	3 Feb 1936–3 Feb 1937	3 Feb 1948–3 Feb 1949
3 Feb 1960–3 Feb 1961	3 Feb 1972–3 Feb 1973	3 Feb 1984–3 Feb 1985
	3 Feb 1996–3 Feb 1997	

The Rats luck should turn out to be another good year throughout 2013 although there will be a few ups and down but following this advice can help make the year a smooth one. With regards to career and business the year will be interesting and new opportunities can come your way and there is also a good chance of promotion throughout the year; try not to take a relaxed approach to your work though as you still have to work for the benefits. Rats that are looking for employment in 2013 may find that their luck is

taking a turn for the better as long as they are determined and are happy to approach their future employers. Although Rats are quite active people, you should try to stay as healthy and fit as possible throughout 2013.

The Rat will need to take care of their health in 2013 especially those who like a tittle, smoke or do not have a good diet or lack in any exercise. Please take a look at your health especially if you are a Yang Metal Rat born 1960 as they can suffer most this year with regards to health, the stomach and chest are weak in this Snake year. If you have a bedroom in the west or southwest and you are a metal Rat place a Wu Lou beside your bed or some metal ornaments that are preferably round in shape which are good metal shapes. I would also make sure you place a salt cure in the southwest and have a look at the flying star advice.

As with 2012 this year should be used as a year of saving and avoid overindulging whether it is finance or eating or any other habit that could be bad for your pocket or health, this will be sure to pay off in the future; you can still treat yourself in 2013 but try to resist that fancy car on finance or expensive jewellery unless you can afford it but always remember to check the terms and conditions this year and check all papers before signing contracts. If you want to make the most of your finances in 2013, make sure you follow the **flying star advice**.

For the Rat born in 1960 & 1972 be careful of relationships as a busy and successful year can make you neglect relationships and your partner may wander. If you have a bedroom or other important room in the east place a temple Lion plaque here to dissipate the chances of this happening.

The Rat should avoid lending money even to best friends or family in 2013. All Rats should be careful of theft either by deception or just someone breaking into your home, do not concern yourself about this just prepare and make sure security is up to scratch at home and office. Avoid gambling either on cards or stock market and if you are offered a deal that is just too good to be true, it probably is especially if it comes from a family member.

2013 should be a productive year for the Rat with many social events taking place and a lot of time for planning and character building when an effort to do so is made. The Rat will find that they have the ability to set a good foundation and get far in 2013 if ready to spend time securing your future.

Single Rats can expect steady times for romance this year especially those born in 1948 (earth Rat) and even expect wedding plans. If you are married or committed, you should be prepared to spend a lot of time with your partner throughout this year and show affection when needed so make lots of time to spoil them. Overall, 2013 will be a great year but you do need to be careful with your finances so please make sure you do not excessively spend unless you are certain that you are getting a good deal and always be sure to read the small print. Make sure you leave time for yourself and try to relax more as stress can be an issue and you may feel down at times, whatever is on your mind right now it **WILL** pass and you are on or soon will be on the right path.

Rats born in 1972 should take a steady approach in 2013 and should remember to take rest when possible throughout the year. Younger Rats born in 1996 should be try to put in as much time as possible when studying as the amount of effort you put in now, affects you in later life.

Enjoy your year and remember they are not as bad as you think, give a little leeway on your side too, if you don't know what I am talking about you will soon and pay no attention to the Feng Shui websites predicating the Rat will have problems in 2013, once you know the potential pitfalls and place annual cures and enhancers you can avoid most of the problems.

As a Rat you are in affinity with the Ox. For your protection, you should have a **key chain pendant of an Ox** with you at all times throughout the year in 2013.

**Your lucky sectors:** (astrological zone) is the North (352.5° - 7.5°) of the home or office. Use blues or black in your decoration if you have a bedroom here. In 2013 the southwest is not a good sector influenced by the annual flying star #2 and I would advise you to place the relevant cures below in 2013. For full details on **2013 flying star analysis follow this link.**

If you are relocating your desk this year to face one of your favourable personal directions, please be aware of the directions and locations of the annual afflictions. If you are unsure of your Gua and best directions follow [this link](#) or maybe consider using our **Feng Shui software** that calculates Gua, Chinese animal including element, flying stars, annual, fixed and monthly and so much more.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **advanced Feng Shui software; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful Tong Shu Almanac date selection software** this will make 2013 a better year indeed.

Be very careful if you have a main door, bedroom or office or any other important room that is located in the southwest, east or west in 2013 and make sure that you follow the **2013 Flying Star (Xuan Kong) recommendations**. If your office or bedroom is located in the southwest, east, centre or west please be aware that in the months of February, April & August 2013 and if you do not use our annual cures kit you should at least place a golden Wu Lou and **set of six Chinese coins** tied in a row with red ribbon for these month especially if you are not in good health or very stressed. To further enhance 2013 check out the **monthly almanac, flying stars and animal predictions** as it not only gives you advice of good and bad days to carry out certain tasks it also advises you if it is good for your animal sign.

#### **To enhance wealth, luck, business and career for the Rat in 2013:**

The most influential and imperative cure and enhancer in 2013 is called a hu shen fu Master cure, amulet and talisman and can only to be used in Gui Si (yin water Snake) year, the last time this powerful cure would have been used was in 1953. This cure is needed to enhance, maintain and protect in 2013 especially for the female of a home or office and more so if you run a run a business from home.

This cure is only known to a few specialist Feng Shui Masters and in olden days and even now in southeast Asia you would need to engage an proficient Feng Shui Master to call at your home or business and the Master would spend many hours engraving the secret writings onto an earth plate shaped as a heart (spearhead) of the finest quality slate, marble or similar earth element, which would then be placed in the northeast of your home or business and then setting the special thought form quartz crystals and i-ching coin

placed on the heart earth plate would have a marking on it showing that the arrowhead must point towards the central heaven heart palace as this is where the #5 yellow star is located in 2013 and you must have protection against loss of wealth in 2013 because we have the #5 five yellow disaster star visit the central heaven heart palace in 2013 with the potential to cause many wealth and bad luck problems. This powerful amulet would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures each year so all can afford them at a fraction of the cost.

The ancient Feng Shui masters claimed that when placing this powerful talisman you must hold the crystal and i-ching coin (not the heart earth plate) in your right hand and close your eyes and visualise exactly what you would like to achieve in your life, in other words create a wish list in your mind but you **MUST** be realistic and not start ordering a six pack or a full head of hair or a bank full of money, you must not be greedy and only positive and good thoughts so you cannot use it for revenge or anything bad and as the saying goes "be careful what you wish for" and remember that dreams can come true and this I speak through experience. These hearth shaped earth plates have been especially engraved for us and you cannot just use a plate in a heart shape, it must have the talisman engraved on it combined with thought form crystal etc..

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2013 we included it standard in all our **2013 cures and enhancers kit**. If you follow this link you will find full details **2013 flying star analysis follow this link**.

#### **To enhance romance for the Rat in 2013:**

Romance can be improved in the northeast, north and southeast of your home although you have to be careful in the southeast as this is where Tai Sui is located in 2013, [click here](#) for further details. Whilst this #4 star is very auspicious, without cures can bring unwanted romantic opportunities to the household if the cures are not put in place. Having a door in the southeast with the cures can bring in new opportunities and lots of travel. To enhance romance and career in 2013 place some dark blue objects in the southeast and the north, you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar material.

Be very careful if you have a main door, bedroom or office or any other important room that is located in the southwest, east or west in 2013 and make sure that you follow the [2013 Flying Star \(Xuan Kong\) recommendations](#).

To further enhance 2013 check out the [monthly almanac, flying stars and animal predictions](#) as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **2013 advanced Feng Shui software**; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful **Tong Shu Almanac date selection software** this will make 2013 a better year indeed.

To dissipate the negative effects in 2013 you should hang a set of six Chinese coins tied with red ribbon and a salt water cure in the southwest and centre of your home or office

this year to control the #5 and #2 stars. For full details on **2013 flying star analysis follow this link**. This is very important in 2013 especially if you have a main door, bedroom, office, lounge or other important room in the southwest, centre and east.

### **The 2013 Annual Feng Shui Afflictions:**

**The Three Killings** - is a direct translation from the Chinese 'San Sha'. This annual affliction is mostly in the east (52.5 – 127.5). It is imperative that you do not undertake any form of noisy renovations or re-decorative work in the east part of your house or office between February 3<sup>rd</sup> 2013 and February 3<sup>rd</sup> 2014. Nor should you disturb the ground in the east by digging holes, building foundations or conduct any maintenance work with any noisy equipment in this area inside or outside your property or garden. Once disturbed, this affliction can bring three types of misfortunes – financial loss, sickness and arguments. This is the worst out of all the annual afflictions and in our home and business we take this very seriously as in our 32 years' experience with Feng Shui we have seen some pretty nasty events from this energy when disturbed.

With the very inauspicious #3 star also visiting the east palace in 2013, you have wood meeting wood which is a paired combination and can cause disputes, arguments and legal problems and needs very specific cures and of course when you combine all this destructive energy with the even more destructive three killings you need the best cure available in the east in 2013. You need a special cure – this special cure comes standard with all our 2013 annual cures and enhancers kits.

Apart from not disturbing its ground, there are two other rules you should follow regarding the Three Killings. Firstly, if you are moving your desk around this year, never sit with your back to this direction (east). Secondly, it is better to face (east) this direction, especially if this is one of your four favourable personal directions.

If your front door faces the east in 2013, place a pair of Fu Dogs just inside the house looking outwards as protective guardians for the year. You must also place a golden coloured Pi Yao in the west looking towards the east.

If you have to carry out work or emergency repairs in the east place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Consultant to select an auspicious date to start the work or you can use our Tong Shu software.

**Tai Sui (The Grand Duke of Jupiter)** resides between 142.5° – 157.5° southeast. Do not take this affliction lightly. Do not disturb the ground in the southeast at all costs. Southeast facing properties with front doors to the southeast must be careful not to allow the doors to slam and do not renovate or dig in this part for 2013.

### **Sui Po (The year breaker)**

Sui Po year breaker occupies the 15 degree mountain directly opposite Tai Sui Grand Duke, which for 2013 is northwest (322.5 – 337.5). You should treat this area with the same respect as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly or sick so please be very careful. If you have to carry out work or emergency repairs in the northwest place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional consultant to select a favourable date to start the work.

**The annual five yellow** has flown to the centre in 2013 and because the centre is associated with earth energy with no gender, this is not good and the reason why so many specialist cures are needed in 2013. It is highly recommended not to disturb the centre with noisy activities, renovations or maintenance work.

Please do not start worrying if you have a bedroom or office that is located in the centre, east or southwest just start preparing to place your 2013 cures and enhancers kit to ensure a trouble free year, and of course make sure you sign up for our **free monthly newsletter** so you are kept up to date with the monthly flying stars giving you even more control of your destiny. To give you even better control use our advanced **Feng Shui 2013 software** as this gives advanced analysis of every home or office facing any direction in any part of the world.

## Tiger

3 Feb 1926-3 Feb 1927	3 Feb 1938-3 Feb 1939	3 Feb 1950-3 Feb 1951
3 Feb 1962-3 Feb 1963	3 Feb 1974-3 Feb 1975	3 Feb 1986-3 Feb 1987
3 Feb 1998-3 Feb 1999	3 Feb 2010-3 Feb 2011	

Tigers should start 2013 with a steady approach and not jump in to any big projects or expenses. The Snake year can slow down the Tigers progression during 2013 but you should not let this put you off as this year can still be very rewarding if you know what to expect and plan the year ahead. In the workplace, this year is a very good time to spend time learning new skills and take on new projects as 2013 is a perfect year to set the foundations for the upcoming years as this will work to your advantage later in the year or during the early months of 2014.

If you are looking to advance in your workplace, it would be a good idea to consider all the different options that are available to you in the workplace as this will help you to learn new skills and prove yourself at work. For Tigers seeking employment, be sure to keep your head up as great things come to those who wait; it may seem very hard to find work during this year but there are a lot of good opportunities arising for the Tiger with new employment. Be sure to check the **2013-flying star** and **Monthly Updates** for more information.

Tigers need to take a lot of time with family and friends in 2013 as their social calendar should be very promising although there is a risk of personality clashes this year so you will need to be prepared to keep the peace when needed during the year. With many single Tigers discovering new love in the most unexpected of places this year, please be sure to remember what I just said and try to avoid arguments or disagreements during the year to ensure a long lasting relationship with new romances and be sure to take things slow and not jump straight in to a relationship in 2013 as this could burn out quite fast if you mix arguments and quick commitment. It may be worth taking a look at our **2013 Academy of Feng shui Software** for reports of compatibility between two people. For Tigers in relationships and even married Tigers, you must make sure to spend time with your other half and your family throughout 2013.

Tigers born in 1950 should be careful with finances in 2013 and avoid overspending as a Snake year can be a year of "not seeing the wood for the trees" and problems can creep up very fast so for the metal Tiger be careful although overall the year should be good. Young Earth Tigers born 1998 (may need pushing from the parents) will benefit from spending time studying throughout the year as this will greatly help you throughout the next few years!

You are in affinity with the Pig/Boar. For your protection, you should have a **key chain pendant of a Pig**.

**Your lucky sector:** (astrological zone) is the Northeast (52.5° - 67.5°) of the home or office. The northeast is good this year and I would advise you to place the flying stars cures and enhancers to get the most out of 2013. For full details on **2013 flying star analysis follow this link**.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **advanced Feng Shui software; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful Tong Shu Almanac date selection software** this will make 2013 a better year indeed.

Be very careful if you have a main door, bedroom or office or any other important room that is located in the southwest, east or west in 2013 and make sure that you follow the **2013 Flying Star (Xuan Kong) recommendations**. If your office or bedroom is located in the southwest, east, centre or west please be aware that in the months of February, April & August 2013 and if you do not use our annual cures kit you should at least place a golden Wu Lou and **set of six Chinese coins** tied in a row with red ribbon for these month especially if you are not in good health or very stressed. To further enhance 2013 check out the **monthly almanac, flying stars and animal predictions** as it not only gives you advice of good and bad days to carry out certain tasks it also advises you if it is good for your animal sign.

#### **To enhance wealth, luck, business and career for the Rat in 2013:**

The most influential and imperative cure and enhancer in 2013 is called a hu shen fu Master cure, amulet and talisman and can only to be used in Gui Si (yin water Snake) year, the last time this powerful cure would have been used was in 1953. This cure is needed to enhance, maintain and protect in 2013 especially for the female of a home or office and more so if you run a run a business from home.

This cure is only known to a few specialist Feng Shui Masters and in olden days and even now in southeast Asia you would need to engage an proficient Feng Shui Master to call at your home or business and the Master would spend many hours engraving the secret writings onto an earth plate shaped as a heart (spearhead) of the finest quality slate, marble or similar earth element, which would then be placed in the northeast of your home or business and then setting the special thought form quartz crystals and i-ching coin placed on the heart earth plate would have a marking on it showing that the arrowhead must point towards the central heaven heart palace as this is where the #5 yellow star is located in 2013 and you must have protection against loss of wealth in 2013 because we have the #5 five yellow disaster star visit the central heaven heat palace in 2013 with the potential to cause many wealth and bad luck problems. This powerful amulet would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures each year so all can afford them at a fraction of the cost.

The ancient Feng Shui masters claimed that when placing this powerful talisman you must hold the crystal and i-ching coin (not the heart earth plate) in your right hand and close your eyes and visualise exactly what you would like to achieve in your life, in other words create a wish list in your mind but you MUST be realistic and not start ordering a six pack

or a full head of hair or a bank full of money, you must not be greedy and only positive and good thoughts so you cannot use it for revenge or anything bad and as the saying goes "be careful what you wish for" and remember that dreams can come true and this I speak through experience. These hearth shaped earth plates have been especially engraved for us and you cannot just use a plate in a heart shape, it must have the talisman engraved on it combined with thought form crystal etc...

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2013 we included it standard in all our **2013 cures and enhancers kit**. If you follow this link you will find full details **2013 flying star analysis follow this link**.

#### **To enhance romance for the Rat in 2013:**

Romance can be improved in the northeast, north and southeast of your home although you have to be careful in the southeast as this is where Tai Sui is located in 2013, [click here](#) for further details. Whilst this #4 star is very auspicious, without cures can bring unwanted romantic opportunities to the household if the cures are not put in place. Having a door in the southeast with the cures can bring in new opportunities and lots of travel. To enhance romance and career in 2013 place some dark blue objects in the southeast and the north, you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar material.

Be very careful if you have a main door, bedroom or office or any other important room that is located in the southwest, east or west in 2013 and make sure that you follow the [2013 Flying Star \(Xuan Kong\) recommendations](#).

To further enhance 2013 check out the [monthly almanac, flying stars and animal predictions](#) as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **2013 advanced Feng Shui software**; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful **Tong Shu Almanac date selection software** this will make 2013 a better year indeed.

To dissipate the negative effects in 2013 you should hang a set of six Chinese coins tied with red ribbon and a salt water cure in the southwest and centre of your home or office this year to control the #5 and #2 stars. For full details on [2013 flying star analysis follow this link](#). This is very important in 2013 especially if you have a main door, bedroom, office, lounge or other important room in the southwest, centre and east.

#### **The 2013 Annual Feng Shui Afflictions:**

**The Three Killings** - is a direct translation from the Chinese 'San Sha'. This annual affliction is mostly in the east (52.5 – 127.5). It is imperative that you do not undertake any form of noisy renovations or re-decorative work in the east part of your house or office between February 3<sup>rd</sup> 2013 and February 3<sup>rd</sup> 2014. Nor should you disturb the ground in the east by digging holes, building foundations or conduct any maintenance work with any noisy equipment in this area inside or outside your property or garden. Once disturbed, this affliction can bring three types of misfortunes – financial loss, sickness and

arguments. This is the worst out of all the annual afflictions and in our home and business we take this very seriously as in our 32 years' experience with Feng Shui we have seen some pretty nasty events from this energy when disturbed.

With the very inauspicious #3 star also visiting the east palace in 2013, you have wood meeting wood which is a paired combination and can cause disputes, arguments and legal problems and needs very specific cures and of course when you combine all this destructive energy with the even more destructive three killings you need the best cure available in the east in 2013. You need a special cure – this special cure comes standard with all our 2013 annual cures and enhancers kits.

Apart from not disturbing its ground, there are two other rules you should follow regarding the Three Killings. Firstly, if you are moving your desk around this year, never sit with your back to this direction (east). Secondly, it is better to face (east) this direction, especially if this is one of your four favourable personal directions.

If your front door faces the east in 2013, place a pair of Fu Dogs just inside the house looking outwards as protective guardians for the year. You must also place a golden coloured Pi Yao in the west looking towards the east.

If you have to carry out work or emergency repairs in the east place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Consultant to select an auspicious date to start the work or you can use our Tong Shu software.

**Tai Sui (The Grand Duke of Jupiter)** resides between 142.5° – 157.5° southeast. Do not take this affliction lightly. Do not disturb the ground in the southeast at all costs. Southeast facing properties with front doors to the southeast must be careful not to allow the doors to slam and do not renovate or dig in this part for 2013.

#### **Sui Po (The year breaker)**

Sui Po year breaker occupies the 15 degree mountain directly opposite Tai Sui Grand Duke, which for 2013 is northwest (322.5 – 337.5). You should treat this area with the same respect as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly or sick so please be very careful. If you have to carry out work or emergency repairs in the northwest place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional consultant to select a favourable date to start the work.

**The annual five yellow** has flown to the centre in 2013 and because the centre is associated with earth energy with no gender, this is not good and the reason why so many specialist cures are needed in 2013. It is highly recommended not to disturb the centre with noisy activities, renovations or maintenance work.

Please do not start worrying if you have a bedroom or office that is located in the centre, east or southwest just start preparing to place your 2013 cures and enhancers kit to ensure a trouble free year, and of course make sure you sign up for our **free monthly newsletter** so you are kept up to date with the monthly flying stars giving you even more control of your destiny. To give you even better control use our advanced **Feng Shui 2013 software** as this gives advanced analysis of every home or office facing any direction in any part of the world.

# Dragon

3 Feb 1928-3 Feb 1929	3 Feb 1940-3 Feb 1941	3 Feb 1952-3 Feb 1953
3 Feb 1964-3 Feb 1965	3 Feb 1976-3 Feb 1977	3 Feb 1988-3 Feb 1989
	3 Feb 2000-3 Feb 2001	3 Feb 2013-3 Feb 2013

The Dragon has a good year to look forward to in 2013 which is a nice way to follow on from last year. If you are keen to do well this year and set plans to stone fairly early in the year, then you can get a great deal accomplished in 2013. As with 2012 there will be plenty of prospects for the Dragon.

There will possibly be doors opening that you thought had closed a long time ago, the most important thing to remember is to spot a good opportunity when it comes and do not overlook the small print of any offer. With regards to scandals or gossip, this could be someone very close to you causing it, so please keep an ear to the ground and if you do discover who it is then leave it a few days before you approach them. This will allow you to have a clear mind and not say things you may regret later. Think before you act and if you have a bedroom or other important room in the east place a temple Lion plaque to help dissipate the energy here.

Dragons seeking work should look forward to opportunities arising to secure a good job this year as long as they aren't afraid to start somewhere then work their way up. Remember, every artist was once an amateur! The best times to search for work this year are February, April, May and November.

As for Dragons already in relationships, 2013 can be a good year to advance in your relationship. 2013 will overall, be a great year for the Dragon so be sure to work hard and enjoy the rewards from this. Dragons born in 1940 should try to stay as active as possible and be sure to get together with family whenever possible Dragons born in 1964 should take an opportunity whenever it arises but be careful that you know the conditions.

A Dragon in a Snake year should be aware that there could be accidents involving metal and this usually means cars so please be careful, I will take extra care this year to warn my 24 year old Son Daniel (1988) although thankfully he is careful driver. The Dragon will have a great year with a few ups and downs. Money will be good in 2013 but you should start planning for the future and avoid overspending and do not take risks with your money, just thought about my son again, I really cannot see him taking any of my advice this year, don't spend your money, think about the future and drive slowly and carefully, yeah alright Dad.

Please keep an eye on your finances this year as the Dragon year is a very fast paced on and overspending can easily happen. When making big purchases, please check the **annual and monthly updates** and maybe even consider our **Tong Shu Almanac Software** for planning for the whole year.

You can look forward to a good and rewarding year with many new friends coming to you in 2013 and this is also a great chance to strengthen existing friendships as it can become easy to neglect loved ones and friends when your social circle grows. Your new increase in your social life bring great promise to finding new love this year although you will have to be calm and not rush in to relationships too fast. As for Dragons already in relationships,

2013 can be a good year to advance in your relationship. 2013 will overall, be a great year for the Dragon so be sure to work hard and enjoy the rewards from this. Dragons born in 1940 should try to stay as active as possible and be sure to get together with family whenever possible. Dragons born in 1964 should take an opportunity whenever it arises but be careful that you know the conditions.

You are in affinity with the Rooster. For enhancement keep a **key chain pendant of a Rooster** on you.

**Your lucky sector:** (astrological zone) is the Southeast (112.5° – 127.5°) of the home or office. Although the southeast is your astrological zone

If your office or bedroom is located in the southwest, east, centre or west please be aware that in the months of February, April & August 2013 and if you do not use our annual cures kit you should at least place a golden Wu Lou and **set of six Chinese coins** tied in a row with red ribbon for these months especially if you are not in good health or very stressed. This cure is needed to enhance, maintain and protect in 2013 especially for the female of a home or office and more so if you run a business from home.

This cure is only known to a few specialist Feng Shui Masters and in olden days and even now in southeast Asia you would need to engage an proficient Feng Shui Master to call at your home or business and the Master would spend many hours engraving the secret writings onto an earth plate shaped as a heart (spearhead) of the finest quality slate, marble or similar earth element, which would then be placed in the northeast of your home or business and then setting the special thought form quartz crystals and i-ching coin placed on the heart earth plate would have a marking on it showing that the arrowhead must point towards the central heaven heart palace as this is where the #5 yellow star is located in 2013 and you must have protection against loss of wealth in 2013 because we have the #5 five yellow disaster star visit the central heaven heart palace in 2013 with the potential to cause many wealth and bad luck problems. This powerful amulet would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures each year so all can afford them at a fraction of the cost.

The ancient Feng Shui masters claimed that when placing this powerful talisman you must hold the crystal and i-ching coin (not the heart earth plate) in your right hand and close your eyes and visualise exactly what you would like to achieve in your life, in other words create a wish list in your mind but you MUST be realistic and not start ordering a six pack or a full head of hair or a bank full of money, you must not be greedy and only positive and good thoughts so you cannot use it for revenge or anything bad and as the saying goes "be careful what you wish for" and remember that dreams can come true and this I speak through experience. These hearth shaped earth plates have been especially engraved for us and you cannot just use a plate in a heart shape, it must have the talisman engraved on it combined with thought form crystal etc...

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2013 we included it standard in all our **2013 cures and enhancers kit**. #### **The 2013 Annual Feng Shui Afflictions:**

**The Three Killings** - is a direct translation from the Chinese 'San Sha'. This annual affliction is mostly in the east (52.5 – 127.5). It is imperative that you do not undertake any form of noisy renovations or re-decorative work in the east part of your house or office

between February 3<sup>rd</sup> 2013 and February 3<sup>rd</sup> 2014. Nor should you disturb the ground in the east by digging holes, building foundations or conduct any maintenance work with any noisy equipment in this area inside or outside your property or garden. Once disturbed, this affliction can bring three types of misfortunes – financial loss, sickness and arguments. This is the worst out of all the annual afflictions and in our home and business we take this very seriously as in our 32 years' experience with Feng Shui we have seen some pretty nasty events from this energy when disturbed.

With the very inauspicious #3 star also visiting the east palace in 2013, you have wood meeting wood which is a paired combination and can cause disputes, arguments and legal problems and needs very specific cures and of course when you combine all this destructive energy with the even more destructive three killings you need the best cure available in the east in 2013. You need a special cure – this special cure comes standard with all our 2013 annual cures and enhancers kits.

Apart from not disturbing its ground, there are two other rules you should follow regarding the Three Killings. Firstly, if you are moving your desk around this year, never sit with your back to this direction (east). Secondly, it is better to face (east) this direction, especially if this is one of your four favourable personal directions.

If your front door faces the east in 2013, place a pair of Fu Dogs just inside the house looking outwards as protective guardians for the year. You must also place a golden coloured Pi Yao in the west looking towards the east.

If you have to carry out work or emergency repairs in the east place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Consultant to select an auspicious date to start the work or you can use our Tong Shu software.

**Tai Sui (The Grand Duke of Jupiter)** resides between 142.5° – 157.5° southeast. Do not take this affliction lightly. Do not disturb the ground in the southeast at all costs. Southeast facing properties with front doors to the southeast must be careful not to allow the doors to slam and do not renovate or dig in this part for 2013.

#### **Sui Po (The year breaker)**

Sui Po year breaker occupies the 15 degree mountain directly opposite Tai Sui Grand Duke, which for 2013 is northwest (322.5 – 337.5). You should treat this area with the same respect as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly or sick so please be very careful. If you have to carry out work or emergency repairs in the northwest place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional consultant to select a favourable date to start the work.

**The annual five yellow** has flown to the centre in 2013 and because the centre is associated with earth energy with no gender, this is not good and the reason why so many specialist cures are needed in 2013. It is highly recommended not to disturb the centre with noisy activities, renovations or maintenance work.

Please do not start worrying if you have a bedroom or office that is located in the centre, east or southwest just start preparing to place your 2013 cures and enhancers kit to ensure a trouble free year, and of course make sure you sign up for our **free monthly newsletter** so you are kept up to date with the monthly flying stars giving you even more

# Horse

3 Feb 1930-3 Feb 1931	3 Feb 1942-3 Feb 1943	3 Feb 1954-3 Feb 1955
3 Feb 1966-3 Feb 1967	3 Feb 1978-3 Feb 1979	3 Feb 1990-3 Feb 1991
	3 Feb 2002-3 Feb 2003	

2013 is very similar to last year for the Horse and will be a year of some ups and downs and I would advise all Horses to be careful throughout 2013 although with all the downs, there are a lot of upsides to 2013 for the Horse. Horses that have recently changed jobs or are in the process of doing so will benefit from 2013 by becoming quickly settled in their new environment; this also applies to schools. If you are trying to advance in the workplace, you should do so with a calm pace and should not rush in to anything. Horses looking for work or wishing to change their profession should try to do so early on in the year as there will be a lot of competition this year although the Horse is a very strong willed character.

You should be very careful with finances this year as there is a risk of overspending through not checking contracts or not filling forms in properly so please be sure to double check everything and avoid large purchases unless they are necessary or good value. Please check the [annual and monthly updates](#) and maybe even consider our [Tong Shu Almanac Software](#) for planning for the whole year.

In March, May, October and December, you will notice your social life increases and you will enjoy a great social life this year although be sure to take time out and relax with family at home. You must make of the most of the good times as there are some months you will need to stay strong, follow the advice monthly on this website and place your annual cures and enhancers. Stay focused this year, there is nothing to worry about just think about all your actions. Horse born in 1942 and 1990 should try to stay as focused as possible during 2013 as their efforts will pay off.

You need to be careful with wealth this year and be aware that you should not take risks and in no way gamble, although metal Horse (born 1988) can expect better wealth this year. The secret for all Horse's this year is money will come in but you have to make sure you keep hold of it. For females born 1954 it can be an emotional year and possibilities of sadness may creep over stronger than usual, you should keep some **hematite beads** close to you to help overcome this.

You will no doubt read this and many other websites that will give even worse predictions than us saying that 2013 will be a year of disasters for the Horse and everything bad will come to you. I have been using Feng Shui for over 32 years and every year I hear the same thing with at least one Chinese animal. Last year 2012 the Snake should have had a very bad year, I have thousands of clients who are Snakes and they have enjoyed a superb 2012. Stay positive, follow our advice, place your cures and enhancers and you too will have a great year. If you combine Chinese astrology with Xuan Kong flying star you can make a predicted bad year into a very good one. One cure that is vital for the Horse in 2013 is the sheng chi cure and the Toads of duality placed in the south of your home or office or both.

You are in affinity with the Sheep/Goat. For your protection, you should have a **key chain pendant of a Goat**.

**Your lucky sector:** (astrological zone) is the South (172.5° – 187.5°) of the home or office. For full details on **2013 flying star analysis follow this link.**

If you are unsure of your Gua and best directions follow **this link** or maybe consider using our **Feng Shui software** that calculates Gua, Chinese animal including element, flying stars, annual, fixed and monthly and so much more.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **advanced Feng Shui software; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful Tong Shu Almanac date selection software** this will make 2013 a better year indeed.

Be very careful if you have a main door, bedroom or office or any other important room that is located in the southwest, east or west in 2013 and make sure that you follow the **2013 Flying Star (Xuan Kong) recommendations**. If your office or bedroom is located in the southwest, east, centre or west please be aware that in the months of February, April & August 2013 and if you do not use our annual cures kit you should at least place a golden Wu Lou and **set of six Chinese coins** tied in a row with red ribbon for these month especially if you are not in good health or very stressed. To further enhance 2013 check out the **monthly almanac, flying stars and animal predictions** as it not only gives you advice of good and bad days to carry out certain tasks it also advises you if it is good for your animal sign.

#### **Sui Po (The year breaker)**

Sui Po year breaker occupies the 15 degree mountain directly opposite Tai Sui Grand Duke, which for 2013 is northwest (322.5 – 337.5). You should treat this area with the same respect as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly or sick so please be very careful. If you have to carry out work or emergency repairs in the northwest place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional consultant to select a favourable date to start the work.

**The annual five yellow** has flown to the centre in 2013 and because the centre is associated with earth energy with no gender, this is not good and the reason why so many specialist cures are needed in 2013. ## Goat/Ram/Sheep

3 Feb 1931-3 Feb 1932	3 Feb 1943-3 Feb 1944	3 Feb 1955-3 Feb 1956
3 Feb 1967-3 Feb 1968	3 Feb 1979-3 Feb 1980	3 Feb 1991-03 Feb 1992
	3 Feb 2003-3 Feb 2004	

This will turn out to be one of the best years for the Goat. Opportunities and success await you and seeds you planted in 2012 will now come to fruition. Coupled with Goats natural passion and drive, the year 2013 will take you to great heights and as with 2012 a great year to accumulate new wealth and also increase your circle of friends. Those in employment may see promotion, provided they keep away from and are not influenced by inauspicious sectors of the house according to the flying stars system of Feng Shui.

Whilst luck is with you, take good advantage of the positive outlook of the year and make a true effort in your endeavours. Obstacles and difficulties are not completely non-existent. Face each one as it comes decisively and confidently as they can easily be overcome. Take good care of health as there is a tendency to overwork. When walking the success path, be charitable to those less fortunate than you.

This a great year to consider merging businesses or moving jobs, you will find opportunities are high in 2013 and you may get a little confused on what to do, think carefully and always speak to a partner or friend, you may find it hard to make decisions in 2013 but if you speak to others they will guide you well. This is a good year to learn how to meditate or just relax, take plenty of time out for yourself as whilst the year is good you can feel a little down at times. Wear a necklace or bracelet that is made from hematite, this will enhance you.

Your busy lifestyle can cause you stomach problems this year so please be careful, I would place a brass Wu Lou beside your bed especially if it is located in the southwest or east. You should be careful signing contracts this year so make sure you read all the small print and do not let yourself be conned by someone sweet or fast talking.

Single Goats may see new relationships blooming this year with possibilities of a good future relationship. There is a very strong possibility of marriage for Goats that have been in a long relationship this year. At home this year, you will have a happy and calm life and will receive a great deal of support from family for your efforts. If you find it possible, take a holiday with a loved one this year, you will benefit from the change of scenery even if you do not go very far.

Those born in 1967 should remain alert for opportunities and act on them. Those born in 1979 should keep a close eye on their spending during 2013. Expect a great year in 2013.

You can expect a great year and it will be a year packed with surprises, enjoy it.

You are in affinity with the Horse. For your protection, you should have a **key chain pendant of a Horse**.

#### **To enhance wealth, luck, business and career for the Rat in 2013:**

The most influential and imperative cure and enhancer in 2013 is called a hu shen fu Master cure, amulet and talisman and can only to be used in Gui Si (yin water Snake) year, the last time this powerful cure would have been used was in 1953. This cure is needed to enhance, maintain and protect in 2013 especially for the female of a home or office and more so if you run a run a business from home.

This cure is only known to a few specialist Feng Shui Masters and in olden days and even now in southeast Asia you would need to engage an proficient Feng Shui Master to call at your home or business and the Master would spend many hours engraving the secret writings onto an earth plate shaped as a heart (spearhead) of the finest quality slate, marble or similar earth element, which would then be placed in the northeast of your home or business and then setting the special thought form quartz crystals and i-ching coin placed on the heart earth plate would have a marking on it showing that the arrowhead must point towards the central heaven heart palace as this is where the #5 yellow star is located in 2013 and you must have protection against loss of wealth in 2013 because we have the #5 five yellow disaster star visit the central heaven heat palace in 2013 with the potential to cause many wealth and bad luck problems. This powerful amulet would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures each year so all can afford them at a fraction of the cost.

The ancient Feng Shui masters claimed that when placing this powerful talisman you must hold the crystal and i-ching coin (not the heart earth plate) in your right hand and close your eyes and visualise exactly what you would like to achieve in your life, in other words create a wish list in your mind but you MUST be realistic and not start ordering a six pack or a full head of hair or a bank full of money, you must not be greedy and only positive and good thoughts so you cannot use it for revenge or anything bad and as the saying goes "be careful what you wish for" and remember that dreams can come true and this I speak through experience. These hearth shaped earth plates have been especially engraved for us and you cannot just use a plate in a heart shape, it must have the talisman engraved on it combined with thought form crystal etc...

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2013 we included it standard in all our **2013 cures and enhancers kit**. If you follow this link you will find full details **2013 flying star analysis follow this link**.

#### **To enhance romance for the Rat in 2013:**

Romance can be improved in the northeast, north and southeast of your home although you have to be careful in the southeast as this is where Tai Sui is located in 2013, **click here** for further details. Whilst this #4 star is very auspicious, without cures can bring unwanted romantic opportunities to the household if the cures are not put in place. Having a door in the southeast with the cures can bring in new opportunities and lots of travel. To enhance romance and career in 2013 place some dark blue objects in the southeast and the north, you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar material.

Be very careful if you have a main door, bedroom or office or any other important room that is located in the southwest, east or west in 2013 and make sure that you follow the **2013 Flying Star (Xuan Kong) recommendations**.

To further enhance 2013 check out the **monthly almanac, flying stars and animal predictions** as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **2013 advanced Feng Shui software**; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful **Tong Shu Almanac date selection software** this will make 2013 a better year indeed.

To dissipate the negative effects in 2013 you should hang a set of six Chinese coins tied with red ribbon and a salt water cure in the southwest and centre of your home or office this year to control the #5 and #2 stars. For full details on **2013 flying star analysis follow this link**. This is very important in 2013 especially if you have a main door, bedroom, office, lounge or other important room in the southwest, centre and east.

#### **The 2013 Annual Feng Shui Afflictions:**

**The Three Killings** - is a direct translation from the Chinese 'San Sha'. This annual affliction is mostly in the east (52.5 – 127.5). It is imperative that you do not undertake any form of noisy renovations or re-decorative work in the east part of your house or office between February 3<sup>rd</sup> 2013 and February 3<sup>rd</sup> 2014. Nor should you disturb the ground in the east by digging holes, building foundations or conduct any maintenance work with any noisy equipment in this area inside or outside your property or garden. Once disturbed, this affliction can bring three types of misfortunes – financial loss, sickness and arguments. This is the worst out of all the annual afflictions and in our home and business we take this very seriously as in our 32 years' experience with Feng Shui we have seen some pretty nasty events from this energy when disturbed.

With the very inauspicious #3 star also visiting the east palace in 2013, you have wood meeting wood which is a paired combination and can cause disputes, arguments and legal problems and needs very specific cures and of course when you combine all this

destructive energy with the even more destructive three killings you need the best cure available in the east in 2013. You need a special cure – this special cure comes standard with all our 2013 annual cures and enhancers kits.

Apart from not disturbing its ground, there are two other rules you should follow regarding the Three Killings. Firstly, if you are moving your desk around this year, never sit with your back to this direction (east). Secondly, it is better to face (east) this direction, especially if this is one of your four favourable personal directions.

If your front door faces the east in 2013, place a pair of Fu Dogs just inside the house looking outwards as protective guardians for the year. You must also place a golden coloured Pi Yao in the west looking towards the east.

If you have to carry out work or emergency repairs in the east place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Consultant to select an auspicious date to start the work or you can use our Tong Shu software.

**Tai Sui (The Grand Duke of Jupiter)** resides between 142.5° – 157.5° southeast. Do not take this affliction lightly. Do not disturb the ground in the southeast at all costs. Southeast facing properties with front doors to the southeast must be careful not to allow the doors to slam and do not renovate or dig in this part for 2013.

#### **Sui Po (The year breaker)**

Sui Po year breaker occupies the 15 degree mountain directly opposite Tai Sui Grand Duke, which for 2013 is northwest (322.5 – 337.5). You should treat this area with the same respect as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly or sick so please be very careful. If you have to carry out work or emergency repairs in the northwest place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional consultant to select a favourable date to start the work.

**The annual five yellow** has flown to the centre in 2013 and because the centre is associated with earth energy with no gender, this is not good and the reason why so many specialist cures are needed in 2013. It is highly recommended not to disturb the centre with noisy activities, renovations or maintenance work.

Please do not start worrying if you have a bedroom or office that is located in the centre, east or southwest just start preparing to place your 2013 cures and enhancers kit to ensure a trouble free year, and of course make sure you sign up for our **free monthly newsletter** so you are kept up to date with the monthly flying stars giving you even more control of your destiny. ## Monkey

3 Feb 1932-3 Feb 1933	3 Feb 1944-3 Feb 1945	3 Feb 1956-3 Feb 1957
3 Feb 1968-3 Feb 1969	3 Feb 1980-3 Feb 1981	3 Feb 1992-3 Feb 1993
	3 Feb 2004-3 Feb 2005	

Although many Feng Shui books and website are probably predicting an OK year in 2013, in my opinion it could be a rewarding year for the Monkey as long as you are prepared to take things slow this year, make plans for all you do and evaluate the benefits and risks for your actions; it sounds daunting but following these steps may reward you with a very good year in 2013 so read through the information for this year and reap the rewards. Please check the **annual and monthly updates** and maybe even consider our **Tong Shu Almanac Software** for planning for the whole year.

All Monkeys need to handle their money with care this year although finances are very good for the Monkey this year. It is a good idea to maybe put your money in an interest account this year as you could see big rewards from the investment you put in this year.

Your potential success this year may be looked upon with jealous eyes and you should be aware that you may have some back stabbing to contend with in 2013. Do not start looking at everyone as the enemy; the year can also bring a little paranoia and also feeling low for no apparent reason. Those born in 1944 & 1992 should have a wu lou or similar good quality round metal object placed beside their bed in 2013 and make sure you hang a Ba Gua mirror in the southwest if you have a door here.

All Monkeys need to take extra care this year when signing papers as legal problems could arise, it could be a deception in you signing papers or just a plain error on someone else's part, so just double check every legal document you sign. If this is a problem it could manifest in October make notes now. Having good Feng Shui is not just about placing Buddha's and three legged Toads, just be aware of potential problems and you will avoid them.

Peach blossom is good this year and you should activate the northeast and southeast of your home as this will activate romance with existing relationships, this also activates career so a lovely combination, check our 2013 flying stars for more details. Relationships should be good for the single Monkey and this is not just for romance it also relates to career and business. Increase this by making sure you enhance the southeast of your home or bedroom by following our flying star advice for 2013. Be careful of eating in restaurants in May and October as problems with bowels and stomach are very strong in these months.

You are in affinity with the Snake. For your protection, you should have a **key chain pendant of a Snake**.

**Your lucky sector:** (astrological zone) is the Southwest (232.5° – 247.5°) of the home or office. Please read the **2013 Annual Flying Star Advice for more information**. Although the southwest is your astrological zone, this may not be the best direction for you to face when seated at work or doing anything important. If you are relocating your desk this year to face one of your favourable personal directions, Maybe consider using our **Feng Shui software** that calculates Gua, Chinese animal including element, flying stars, annual, fixed and monthly and so much more.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **advanced Feng Shui software**; **it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. This cure is needed to enhance, maintain and protect in 2013 especially for the female of a home or office and more so if you run a run a business from home.

This cure is only known to a few specialist Feng Shui Masters and in olden days and even now in southeast Asia you would need to engage an proficient Feng Shui Master to call at your home or business and the Master would spend many hours engraving the secret writings onto an earth plate shaped as a heart (spearhead) of the finest quality slate, marble or similar earth element, which would then be placed in the northeast of your home or business and then setting the special thought form quartz crystals and i-ching coin placed on the heart earth plate would have a marking on it showing that the arrowhead must point towards the central heaven heart palace as this is where the #5 yellow star is located in 2013 and you must have protection against loss of wealth in 2013 because we have the #5 five yellow disaster star visit the central heaven heat palace in 2013 with the potential to cause many wealth and bad luck problems. This powerful amulet would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures each year so all can afford them at a fraction of the cost.

The ancient Feng Shui masters claimed that when placing this powerful talisman you must hold the crystal and i-ching coin (not the heart earth plate) in your right hand and close your eyes and visualise exactly what you would like to achieve in your life, in other words create a wish list in your mind but you MUST be realistic and not start ordering a six pack or a full head of hair or a bank full of money, you must not be greedy and only positive and good thoughts so you cannot use it for revenge or anything bad and as the saying goes "be careful what you wish for" and remember that dreams can come true and this I speak through experience. These hearth shaped earth plates have been especially engraved for us and you cannot just use a plate in a heart shape, it must have the talisman engraved on it combined with thought form crystal etc...

It is imperative that you do not undertake any form of noisy renovations or re-decorative work in the east part of your house or office between February 3<sup>rd</sup> 2013 and February 3<sup>rd</sup> 2014. Nor should you disturb the ground in the east by digging holes, building foundations or conduct any maintenance work with any noisy equipment in this area inside or outside your property or garden. Once disturbed, this affliction can bring three types of misfortunes – financial loss, sickness and arguments. This is the worst out of all the annual afflictions and in our home and business we take this very seriously as in our 32 years' experience with Feng Shui we have seen some pretty nasty events from this energy when disturbed.

With the very inauspicious #3 star also visiting the east palace in 2013, you have wood meeting wood which is a paired combination and can cause disputes, arguments and legal problems and needs very specific cures and of course when you combine all this destructive energy with the even more destructive three killings you need the best cure

Secondly, it is better to face (east) this direction, especially if this is one of your four favourable personal directions.

If your front door faces the east in 2013, place a pair of Fu Dogs just inside the house looking outwards as protective guardians for the year. You must also place a golden coloured Pi Yao in the west looking towards the east.

If you have to carry out work or emergency repairs in the east place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Consultant to select an auspicious date to start the work or you can use our Tong Shu software.

**Tai Sui (The Grand Duke of Jupiter)** resides between 142.5° – 157.5° southeast. Do not take this affliction lightly. Do not disturb the ground in the southeast at all costs. For those of you who know me and have followed my advice over the last 13 years you will know I am always positive and I prefer to be more upbeat about the years predications as the

power of the mind is just as powerful as Feng Shui but I have to let you know that 2013 may not be the greatest of years for the Pig if you do not follow my advice. There is the possibility of a lawsuit coming to the Pig this year so it is highly recommended to be careful when you are signing contracts or dealing with people especially if you have an important room or main door in the west or east and you should use the annual cures and enhancers this year without fail or at the very least place a temple Lion plaque in the east to help dissipate the negative energy here.

The amount of work you put in at work will not be proportional to the results you get so try and think things through before you go ahead with them. You must be careful with your finances this year, especially towards the middle of the year.

During the summer, be careful not to take too many risks like extreme sports or dangerous activities, you should also try to avoid alcohol and gambling this year; a glass of wine with your dinner won't hurt you though!

It's not all bad; if you keep a positive attitude and put effort into your work you can make 2013 a successful year for you. Your health will be average throughout 2013 although you could suffer from minor illnesses or accidents, which is why you should avoid dangerous sports and activities.

Your romantic life will have its setbacks if you are looking for long term relationships; you will go on many dates but you will not find it as easy to find a strong bond with a partner. Arguments will take place with married couples this year so try and keep peace around the home.

Those born in 1971 should spend more time with their loved ones and talk to them about their problems as a problem shared is a problem halved. Those born in 1983 should be willing to accept support from people offering it as they will benefit from this.

Those born in 1935 should be prepared to ask for help when something becomes too much for them, this will lift a great weight off their shoulders. Those born in 1947 should consider expanding and developing their interests for a new outlook on life. Those born in 1959 should be willing to adjust to new situations. This year you must not let yourself stagnate, look at new opportunities, work hard without affecting health and if you are in a position try and spend time travelling this year for business or pleasure, I know it easy for me to say as you are probably feeling tired just reading this advice but it will get better very soon and you will have good times ahead and stop worrying about others and spend some time on yourself this year. Falling down is not defeat; defeat is when you refuse to get up and even though the year may not sound great this is only a tiny influence on what happens in your life, if you follow the advice on these 2013 pages your year will be very good, you will avoid all problems, have a fantastic year.

You are in affinity with the Tiger. For your protection, you should have a **key chain pendant of a Tiger**.

If disturbed this area can and normally will cause immediate health problems especially for the elderly or sick so please be very careful. If you have to carry out work or emergency repairs in the northwest place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional consultant to select a favourable date to start the work.

**The annual five yellow** has flown to the centre in 2013 and because the centre is associated with earth energy with no gender, this is not good and the reason why so many specialist cures are needed in 2013. It is highly recommended not to disturb the centre with noisy activities, renovations or maintenance work.

Please do not start worrying if you have a bedroom or office that is located in the centre, east or southwest just start preparing to place your 2013 cures and enhancers kit to ensure a trouble free year, and of course make sure you sign up for our **free monthly newsletter** so you are kept up to date with the monthly flying stars giving you even more control of your destiny. To give you even better control use our advanced **Feng Shui 2013 software** as this gives advanced analysis of every home or office facing any direction in any part of the world.
