**“We make a living by what we get but we make a life by what we give.”**

Are you *really* prepared for 2014?

I am sure that there will be many Pigs that will be glad to see the back of 2013 and they should be glad to hear that 2014 is a lot more promising although I know for a fact that so many pigs have enjoyed a successful 2013 and benefited from the 2013 annual and monthly advice we gave and also using our annual cures kits and the Master Cure along with the fine tuning of our powerful Feng Shui Software to get as good a result as possible. As we come into the year of the Horse, we will need some special cures and enhancers in 2014 to make the most of the year.

Chinese astrology and western astrology are two very different things. Chinese astrology is used to inform people of what may could place and how they can make certain changes o their lifestyle and also how to apply cures and enhancers to avoid any problems that could potentially arise in their life; Chinese astrology is also about having the information in advance so that you can avoid any of the problems that are predicted as prevention is normally the best cure. The information on this site for 2014 will help you to be prepared and make informed decisions throughout the year ahead for certain aspects that may affect your well-being and endeavours. It is important that you know when and how to avoid bad influences during 2014.

If you follow the advice for your Chinese Animal and approach the year ahead with a positive attitude, you will be able to avoid a lot of problems that could be coming your way in 2014. You can also avoid a lot of

problems by reading our [2014 Flying Star \(Xuan Kong\)](#) and For example: if you are a Rat and read on our synopsis for the year or somewhere else that the year ahead is going to be challenging for you, you can avoid many problems by thinking positive and researching your Flying Star chart and looking for the source of the problem in your home. Being able to avoid negative Flying Stars can help you modify your years luck in a good way. There will be many websites and other practitioners that will predict all sorts of problems and calamities for a certain animal in any year. What you need to bear in mind is that even though there may be problems arising, there is usually always a solution to a problem which we have written in to each synopsis for 2014 for you. Please take this with a pinch of salt and enjoy a great 2014.

You should start to prepare and place your annual cures and enhancers as soon as possible as it really is crucial to get this right although please do not place your Cures for 2014 before the 4th February 2014. This will set the foundations for a trouble free year; make sure that you check back at the beginning of every month on here for our monthly updates to be even more prepared for the year ahead. You could even use our **professional Flying Star Feng Shui Software or 2014 Tong Shu Almanac Software** which will give you total control on an annual and monthly basis. This year we have combined the software with our annual cures kit to give you even better value and savings.

Those born in the year of the Rat may be affected by the conflicting influences of the year of the Yang Wood Horse Jia Wu. In saying this, we hope that those born in the year of the Pig are aware of potential difficulties they may encounter during the year and take extra care in whatever they do without taking undue risks. The degree of influence varies from one person to another. One of the major considerations is the heavenly stem of the year in which one was born, more on this later.

## **2014 is the 4712th year of the Chinese calendar.**

In China, the solar calendar of the Jia Wu (Yang Wood) year starts on 4th February 2014 at 06:03 China time. In the UK, the new solar year starts on 4th February 2014 at 22:03. In Washington USA it will start 4th February 2014 at 17:03 and if you live in Barcelona you would place your cures at 23:03. Every year we put together a page on Chinese New Year world times 2014 that will help you confirm the times and dates for the Chinese New Year's Solar and lunar. This is not the Chinese New Year 2014 you would celebrate; please check this website for further details.

**"The true measure of a person is how they treat someone who can do them absolutely no good."**

### **2014 Chinese Animal Predictions for the Rat**

The Rat will have had a few ups and downs in 2014 but the good news is that you should find that all the work you put in during 2013 with your career and social life in particular, could start to pay off at the beginning of the year. You may see yourself become quite the socialite and see a big rise in popularity but please be aware that 2014 will not be the greatest of year for the Rat as they are the conflict animal for the Horse year,

You would do well to use this to your advantage as this is a great time for networking with new people and this will also be a great opportunity to make new friends so attend as much as you can this year but only as much as finances and lifestyle will allow. Although 2014 will not be the greatest of years for the Rat as they are the conflict animal for the Horse year, there will still be some good parts to the year and you should find April 2014 to be a good month for socialising.

If you are able to seek and take advice from others, you will find that this really helps in many aspects of your life by strengthening and attracting relationships with others and sharing good news with others around you.

Please remember your existing friends and family in 2014 as this year can be a great year to spend time with loved ones and strengthen relationships with close ones and 2014 would be a great year for a family vacation which the Rat would do well organising. This year, the Rat would be smart to take the help of others and not try to stay independent as the Rat has the ability to do better this year with the help of others and you may find yourself isolated if you do not accept the help and companionship.

With career in 2014, the Rat will need to keep an eye out for new opportunities which can help to build your career in the coming year. 2014 can help the Rat grow their knowledge and skills and put them to use in the upcoming year. Where risks are concerned, the Rat would be wise to weigh up all the pros and cons before going ahead with big decisions in their career as there is a risk of this backfiring if it is not

thought through. Please remember to always read the small print and check over the terms and conditions. You would also do well to seek advice from others if you are ever in doubt and seeking help from others will help you build relationships while also getting helpful advice.

If you are seeking a promotion in 2014, you may find yourself becoming frustrated with the competition; I am not saying do not go for the promotion but please be aware of the people you are up against and study when possible to get the advantage on the opposition.

2014 is a fantastic year of learning for the Rat and can really be of benefit if you are motivated and wish to further your education and your studies will really bring out the best in you. You may find that some plans may not work out how you originally wished but they have the ability to be replaced with new opportunities that can work to your advantage. To summarise the Rats career in 2014, this is a year to build relations and take charge of opportunities but always keep your wits about you and read the small print.

With the increasing studies and socialising this year, please remember to take time out for partners as there is risk of overworking and becoming too occupied in your own affairs and letting your relationship dissipate in 2014. This year can be a good year for relationships for the Rat if they read this advice; please remember that there is a risk of ignoring your loved one this year and that you should always remember to take time out to spend time with your partner and take them along to enjoy your increased social life so as not to hurt their feelings and make them feel alone. If you follow this advice, you should find that you are able to strengthen your relationship with your partner and attract a new strong relationship if you are a single Rat.

The Rat will need to keep a close eye on finances throughout the year as there is risk of not reading the fine print or terms and conditions which is also applicable to work life so please make sure that you do your research when making big investments or taking out loans. With your increased social life, it would be wise to save where possible although you can take this whichever suits your lifestyle.

You could use this year to spend time with loved ones and use some savings on trips and social events with friends and family but if you do not have a great deal of disposable income, try to limit your spending where possible and hunt around for the best deals.

To summarise the year, I would recommend keeping your wits about you and try to focus on what you want in life and spend as much time with loved ones and friends as possible. Study will greatly be of benefit of to you this year and will help you get far in the work place in 2014. Have a successful and prosperous year.

As a Rat you are in affinity with the Ox. For your protection, you should have a **key chain pendant of an Ox** with you at all times throughout the year in 2014.

### **To enhance wealth, luck, business and career for the Rat in 2014:**

The most influential and imperative cure and enhancer in 2014 is called a Cai Ling Fu *Master cure* and can only to be used in Yang Wood Horse years, the last time this powerful cure would have been used was in 1954 which was also a Yang Wood Horse year. This cure is needed to enhance and protect in 2014 especially for the eldest male of a home or business.

This traditional Feng Shui cure is only known to a few specialist Feng Shui Masters and in the old days and even now in Asia you would need to employ a expert Feng Shui Master to call at your home or business and the Master would spend hours carving the secret inscriptions onto an earth plate made from the finest slate or marble, which would then be placed in the northwest of your home or business and then setting the special quartz crystals and i-ching coins. This would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures is so all can afford them at a fraction of the cost.

Each of the rare and valuable semi-precious quartz crystals work in synergy with the inherent element of the Luo Shu Gua Trigrams giving total protection for wealth, health & peace of mind and releasing the #8 star from the inherent powerful energies of the #9 Li star in the south in 2014 to permeate the whole building. The most powerful quartz crystal used is the Tigers Iron which is a master crystal with amazing protection qualities and also superb for wealth and business.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2014 we decided to include it standard in all our **2014 cures and enhancers kit**. If you follow this link you will find full details **2014 flying star analysis follow this link.**

## **To enhance romance for the Rat in 2014:**

Romance can be enhanced in the south and centre of your home, [\*\*click here\*\*](#) for further details. Whilst this #4 star is very auspicious, without cures this #4 star can bring both wanted and unwanted romantic opportunities to the household if the cures are not put in place. This is caused by the #4 being trapped in the centre palace in 2014 and needs a very special Talisman to release it. To enhance romance and career in 2014 place this Shou Kun qi Fu (trapped qi talisman) Wish & romance enhancer in the centre of your home, you should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it really is very easy to do.

Make sure you follow the **[2014 Flying Star \(Xuan Kong\) recommendations](#)**. If your office or bedroom is located in one of the directions mentioned, please be aware that in the months of April & June 2014 you should make sure you at least place a **[set of six Chinese coins](#)** tied in a row with red ribbon for the month especially if you are not in good health or very stressed.

To further enhance 2014 check out the **[monthly almanac, flying stars and animal predictions](#)** as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our [2014 advanced Feng Shui software](#); it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful [Tong Shu Almanac date selection software](#) this will make 2014 a better year indeed.

To disperse the negative effects in 2014, you should hang a set of six Chinese coins tied with red ribbon and a salt water cure in the northwest and east of your home or office this year to control the #5 and #2 stars. For full details on **[2014 flying star analysis follow this link](#)**. This is very important in 2014 especially if you have a main door, bedroom, office, lounge or other important room in the south, north and east.

## **North is the location and direction of the Three Killings**

When at work, you may sit facing the north direction only if this is one of your personal good directions, if not, do not sit with your back to the north or you may find unscrupulous people working against you or you may encounter undue gossip and back stabbing during the year. A very powerful enhancer and little known talisman is placing a sheng chi cure with a Sheng chi enhanced crystal, the whole cure then needs to have a thought form charm placed inside and positively empowered with sheng chi energy (this is already applied to the one's that we sell). I really do love this cure especially as it is a traditional and little known enhancer to only a few Feng Shui masters.

## **South is where Tai Sui (Grand Duke of Jupiter) resides in 2014**

Resides between  $172.5^{\circ}$  -  $187.5^{\circ}$  degrees south in 2014.

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

The traditional Chinese method to appease Tai Sui is to place a Pi Yao or dragon headed tortoise in the north sector of the home or office facing the  $15^{\circ}$  south radius where Tai Sui sits. This is so important this year.

## **Sui Po is located in the North in 2014 (The year breaker)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2014 is north. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly, so please be very careful. Traditionally to appease Sui Po in a Horse year you need to display a sheng chi cure, we have included one in our 2014 cures kit. If you have to carry out work or emergency repairs in the north place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Practitioner to select an auspicious date to start the work or consult our **Tong Shu date selection software**.

## **2014 Chinese Animal Predictions for the Ox**

2014 is predicted to be an eventful year for the Ox and one where they shall need to learn to adapt and adjust to changes quickly or they could see themselves left behind and missing out on some very good opportunities presented to them. If you are able to accept change and learn to adapt at the beginning of the year, you will do well in 2014 and could see many good opportunities come your way throughout the year.

With career, the Ox has the opportunity to build on their career which can also lead to a rise in income which benefits the Ox overall in life. For Oxen looking to change career, there will be opportunities throughout 2014 and this can work to their advantage as there will be some good positions opening for the Ox in the year of the Horse but please do not go for a job unless you are qualified as this could backfire on you.

Finances are on the up in 2014 but please remember to keep an eye where money is concerned and seek professional advice on big purchases this year as there is risk of problems where finances are concerned which can cause problems overall if there is a big financial loss. It would be wise to always double check the terms and conditions when purchasing something of value. Overall finances will be good as long as you are careful with your outgoings and investments.

Oxen should keep an eye on their health this year as there are predictions of tiring yourself out and minor illnesses which can take its toll on you. Try to stay as active as possible in the year of the Horse; this could be in the form of joining a gym and following a regular workout routine or maybe starting a new hobby like walking, cycling or jogging with friends or alone to keep you fit and active.

You should also focus on your diet this year; a takeaway every now and again is no problem but please remember to eat healthy when possible. Relaxation is also vital in 2014 for the Ox as this can help a great deal keeping stress levels down and good therapy.

Oxen should find that there are many memorable moments to be had in 2014 and this can bring a great deal of joy to them as these memories will be with them forever. There are predictions of parties in the Oxen's honour in 2014 to celebrate their successes at home and at work so stay determined to do well this year and the rewards will be plentiful. Social life for the Ox will be very good this year and a family vacation will be beneficial in 2014 for everyone attending.

Oxen should see a rise in social events with friends in 2014 which will help strengthen bonds between friends now and in the future; try to take time out to socialise whenever possible but please also remember to spend some time by yourself so you do not tire yourself out and become susceptible to illness or stress. The year of the Horse is a good year for spending some time with friends and growing relationships.

Romances are not the greatest for the Ox in the year of the Horse although this does not mean that there will be no chance of new relationships or strengthening existing relationships. Relations of the heart will require some work in 2014 and the Ox will need to stay committed to making this work if they wish to carry on with the relationships. If you are in a long term relationship with someone, it would be a good idea to take a romantic trip in 2014 although only if you can afford it.

Overall the year of the Horse will be a successful one for the Ox although you will need to adapt fairly early to changes, keep to a good exercise routine and diet plan and will need to work on relationships. Finances will be good and social outings will be plentiful but please remember to take some time out for yourself this year and enjoy a happy and prosperous 2014.

As an Ox you are in affinity with the Rat. For your protection, you should have a **key chain pendant of a Rat** with you at all times throughout the year.

Your lucky sectors: (astrological zone) is the Northeast (22.5° - 37.5°) of the home or office. For full details on **2014 flying star analysis follow this link.**

If you are relocating your desk this year to face one of your favourable personal directions, please be aware of the directions and locations of the annual afflictions. If you are unsure of your Gua and best directions follow **this link** or maybe consider

using our **Feng Shui software** that calculates Gua, Chinese animal including element, flying stars, annual, fixed and monthly and so much more.

### **2014 Chinese Animal Predictions for the Tiger**

The Tiger can rejoice in the fact that overall, the year of the Horse will be a very fortunate year for them and they will achieve a great deal in 2014. Tigers ending the year of the Snake with problems should not worry as they will be short lived and their luck should change for the better as the year of the Horse sets in. The Tiger will need to put some effort in to their actions during the year, which will help them to move forward.

Career for the Tiger will be very good this year and there are predictions of climbing the corporate ladder and making new connections with important people who can be of use to them in the future. The Tiger may notice that those of higher positions in their work place are starting to put a lot of trust in them and giving them more responsibility and this should be used as an opportunity to develop new skills and further your education.

These new opportunities should see a larger income for the Tiger in 2014 and this should be a great motivation to do better. All of the Tigers efforts in the year of the Horse will help them in the long run. Tigers looking for new employment should be well prepared for interviews this year and try to make a strong impression during their meeting and they will do well to beat the competition.

Hobbies and new skills will be of great benefit to the Tiger during the year of the Horse and they can make a lot of progress with this if the hobby is of interest to them although if they have no real interest in it, they will need to stay committed to accomplish much from this. If you have a keen interest in sports or fitness, this will work very much so in your favour during the year and you should see a real rise in your personal fitness level.

As I previously said, your employers trust in you could lead to a higher salary and this will be the start of a good financial year for the Tiger as there are also predictions of unexpected sums of money; this could be in the form of a gift or maybe a lottery win although please do not go spending thousands on lottery tickets each week as the amount is undefined. It would be a good idea to save money where you can in the year of the Horse as you may need it throughout the year.

The Tigers social life will be really active throughout the year and can be a great way to celebrate your new business opportunities with friends and loved ones. The year of the Horse is a great time for the Tiger to enjoy what they have in their life and that also includes their partners. Romance is looking very good for the Tiger in 2014 and they will have many opportunities to strengthen romantic bonds with their loved one and single Tigers will also see a rise in interest from the opposite sex this year.

Overall, the year of the Horse is a very favourable year for the Tiger and they can accomplish a great deal with great ease. Have a wonderful year of the Horse.

Whilst this #4 star is very auspicious, without cures this #4 star can bring both wanted and unwanted romantic opportunities to the household if the cures are not put in place. This is caused by the #4 being trapped in the centre palace in 2014 and needs a very special Talisman to release it. To enhance romance and career in 2014 place this Shou Kun qi Fu (trapped qi talisman) Wish & romance enhancer in the centre of your home, you should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it really is very easy to do.

Make sure you follow the **2014 Flying Star (Xuan Kong) recommendations**. If your office or bedroom is located in one of the directions mentioned, please be aware that in the months of April & June 2014 you should make sure you at least place a **set of six Chinese coins** tied in a row with red ribbon for the month especially if you are not in good health or very stressed.

To further enhance 2014 check out the **monthly almanac, flying stars and animal predictions** as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our **2014 advanced Feng Shui software**; it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful **Tong Shu Almanac date selection software** this will make 2014 a better year indeed.

To disperse the negative effects in 2014, you should hang a set of six Chinese coins tied with red ribbon and a salt water cure in the northwest and east of your home or office this year to control the #5 and #2 stars. For full details on **2014 flying star analysis follow this link**. This is very important in 2014 especially if you have a main door, bedroom, office, lounge or other important room in the south, north and east.

### **North is the location and direction of the Three Killings**

When at work, you may sit facing the north direction only if this is one of your personal good directions, if not, do not sit with your back to the north or you may find unscrupulous people working against you or you may encounter undue gossip and back stabbing during the year. A very powerful enhancer and little known talisman is placing a sheng chi cure with a Sheng chi enhanced crystal, the whole cure then needs to have a thought form charm placed inside and positively empowered with sheng chi energy (this is already applied to the one's that we sell). I really do love this cure especially as it is a traditional and little known enhancer to only a few Feng Shui masters.

### **South is where Tai Sui (Grand Duke of Jupiter) resides in 2014**

Resides between 172.5° - 187.5° degrees south in 2014.

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

The traditional Chinese method to appease Tai Sui is to place a Pi Yao or dragon headed tortoise in the north sector of the home or office facing the 15° south radius where Tai Sui sits. This is so important this year.

### **Sui Po is located in the North in 2014 (The year breaker)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2014 is north. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly, so please be very careful. Traditionally to appease Sui Po in a Horse year you need to display a sheng chi cure, we have included one in our 2014 cures kit. If you have to carry out work or emergency repairs in the north place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Practitioner to select an auspicious date to start the work or consult our **Tong Shu date selection software**.

## **2014 Chinese Animal Predictions for the Rabbit**

The year of the Horse is one that will go very well for the Rabbit with many good career prospects and exciting times although they may get frustrated at times with the pace of the year as there will be a lot to handle at once for the Rabbit in 2014.

One of the highlights of the Rabbits year will be their social life which will be filled with many events and opportunities to meet new people and make some really good connections in the financial world.

Career will be very good for the Rabbit in 2014 and they should see lot of opportunities coming their way during the year of the Horse, although they should understand and accept that work can get a bit too much for the Rabbit throughout the year and should bear with it and there will eventually be a light at the end of the tunnel for them.

The Rabbit will sometimes want to work at their own steady speed but would really benefit from acting fast and trying to keep up with what is going on to get the best results although do not overwork yourself too much as this could cause a lot of stress for the Rabbit.

Rabbits that are unsatisfied in their job or are currently looking for work in the year of the Horse should be very successful and there could be major openings to get in to their ideal career this year although they will need to stay focused in their job hunt and will need to keep their eye out for open positions.

The Rabbit has many skills and in the year of the Horse, this will attract many new people to the Rabbit which will do all kinds of favours for them as people will want to be of use to the Rabbit in 2014. There will be many social events for the Rabbit during the year of the Horse and there are predictions that the Rabbit would do well if they are organising any events this year.

The Rabbits life at home will be very calm and relaxed this year although you will need to make sure that everyone in the home has input during the year of the Horse as this could cause problems if not; make sure that you talk to family members about all important decisions. To make the best of home life in 2014, it would be a good idea to spend a lot of time together in family activities; this could be family days out or simply just a movie night at home but this will go a long way if you stick together during the year.

Romance is looking promising due to the Rabbits increase in social status which will benefit single Rabbits although Rabbits in a relationship should avoid harmless flirting during the year of the Horse and this could give off the wrong idea and cause many unwanted problems. There will be many opportunities for the Rabbit to share moments with their loved one and it would be a good idea to spend time together when possible to build their relationship.

Finances will require some care during 2014 as the Rabbits rise in social life will be very demanding and there is risk of money leaving as soon as it comes in so please be sure to know your limits on social events and try to budget throughout the year to

avoid any debts. The Rabbits career opportunities could see a rise income but again, they will have to be very careful with their spending if they wish to remain financially stable during the year.

Overall, the year of the Horse is promising for the Rabbit but they will need to keep an eye on their spending and be sure not to tire themselves out from the stress of added work and too many social events. Enjoy a fantastic year of the Horse

### **To enhance wealth, luck, business and career for the Rabbit in 2014:**

The most influential and imperative cure and enhancer in 2014 is called a Cai Ling Fu *Master cure* and can only to be used in Yang Wood Horse years, the last time this powerful cure would have been used was in 1954 which was also a Yang Wood Horse year. This cure is needed to enhance and protect in 2014 especially for the eldest male of a home or business.

This traditional Feng Shui cure is only known to a few specialist Feng Shui Masters and in the old days and even now in Asia you would need to employ a expert Feng Shui Master to call at your home or business and the Master would spend hours carving the secret inscriptions onto an earth plate made from the finest slate or marble, which would then be placed in the northwest of your home or business and then setting the special quartz crystals and i-ching coins. This would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures is so all can afford them at a fraction of the cost.

Each of the rare and valuable semi-precious quartz crystals work in synergy with the inherent element of the Luo Shu Gua Trigrams giving total protection for wealth, health & peace of mind and releasing the #8 star from the inherent powerful energies

of the #9 Li star in the south in 2014 to permeate the whole building. The most powerful quartz crystal used is the Tigers Iron which is a master crystal with amazing protection qualities and also superb for wealth and business.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2014 we decided to include it standard in all our **2014 cures and enhancers kit**. ### **2014 Chinese Animal Predictions for the Dragon**

The year of the Horse is a year that can be very successful for the Dragon although they will have to be careful and avoid taking too many risks through the year. There will be some aspects of the Dragons life that will be harder than others but with some determination and perseverance, they should be able to make the year of the Horse a successful and satisfying year for themselves.

Career for the Dragon has predictions of growth in the role at work which can come from someone else leaving their job and the Dragon getting their part but this does not mean you should go about trying to get the boss fired so you can get his job; this will have to come from natural causes. There should be a lot of new projects for the

Dragon in 2014 which can lead to senior members of staff becoming very trusting of the Dragon. Overall, the year of the Horse is a year of small steps for the Dragon and they should not rush anything as risks can cause problems for them in 2014.

Dragons looking for a new job or work in general during the year of the Horse can be a tricky process but with their determination and skills, they can go a long way to impress their hopefully future employer and get the job they are after, but they should not rush anything as risks can cause problems for them in 2014.

Finances will be good for the Dragon in 2014 although they may find that their outgoings are quite high this year and would do well to try and cut some unnecessary expenses if possible. If there are any large purchases in the Dragons life in 2014, they should find that this is best to shop around a lot to find the best price and previous budgeting and saving will really help them and they could end up saving a huge amount of money on purchases in 2014. The year of the Horse is not a year for diving in to financial decisions for the Horse and they should always read contracts, fine print and terms and conditions. I am an Earth Dragon and will be working on my finances this year to make sure I stay one step ahead.

The confident Dragon should see a rise in their social life in 2014 and will be keen to make the most of this throughout the year and they will enjoy many fantastic moments with friends and family but they will still have to keep an eye on their budget throughout the year. There are predictions of new people entering the Dragons life throughout the year of the Horse and these people can turn out to be long-time friends in the future.

There is risk of gossip in the year of the Horse and the Dragon would do well to take this lightly and not let their emotions get the better of them as this will pass fairly quickly and they would benefit from talking to the source in a calm manner to find out the facts before they let it upset them.

Home life will be good for the Dragon throughout the year of the Horse and this is a great year for the Dragon to take some time out for themselves and work on their personal health by keeping an eye on their diet and getting plenty of exercise; hobbies are a great way to do this and I have just purchased a new bike so I will be dragging myself out of bed on the weekends throughout 2014 to go on a nice long bike ride to clear my head and keep myself active.

Romance is looking promising for the Dragon although they will have to work on their communication skills with their partner for their relationship to thrive; this is not something to worry about but is just more of a way to strengthen their relationship. Single Dragons should see important and promising developments during the year of the Horse and could form strong bonds with others.

Overall, the year of the Horse should be a steady paced year for the Dragon but they can achieve a great deal by taking it easy. Enjoy a great year and I hope you benefit from all it has to offer.

### **2014 Chinese Animal Predictions for the Snake**

The year of the Horse can be a varied year for the Snake as the fast pace that a Horse year has to offer can sometimes unsettle the pace of the Snake and cause them to feel isolated from everything going on around them; this year may not be the greatest in every aspect but that does not mean that there will not be many successes for the Snake throughout the year of the Horse.

Career could see the Snake making fair progress throughout the year but they will need to keep alert and not spend too much time on one project as they may find that the fast paced year could leave their work building up if they spend too long on one thing. There will be opportunities for the Snake to grow their skills in 2014 and they should notice that senior workers of higher roles are beginning to put a lot more trust in them due to the Snakes valued input.

Snakes that are looking to change jobs or are currently out of work and looking will need to keep up with the pace of the Horse year as they may find a job one day only to discover the next that its gone. An area of benefit for the Snake looking for

employment in the year of the Horse will be to detail their many skills and experience in their portfolio which will impress their hopeful future employers.

The Snake's finances are looking good in the year of the Horse and they should be able to save a nice sum of money this year, providing they are able to budget and do not jump in to any big purchases. The Snake has a tendency to see something and want it but would do far greater this year if they were to spend some time researching the best price and checking over the terms and conditions.

Home life for the Snake is promising this year and one thing I would recommend is that the Snake plans a vacation during the year of the Horse as they will need to take time out to relax if they are trying to keep up in the fast paced Horse year. If the Snake is working too hard in 2014, they may find that they are prone to minor illnesses like the common cold so please take some time out during the year to relax and please keep an eye on your diet.

Social life is good for the Snake in the year of the horse and it is important that they do not stop themselves from attending events at times if they feel they cannot afford it; all they need to do is budget their spending and they can still have just as good a time and really get some relaxation at certain events and will be able to meet a lot of new people.

Romance and relationships will require some care during the year of the Horse. The Snake may find that arguments are on the rise in 2014 and this is mainly due to little things; in some instances, it would be a good idea to keep calm and try not to say anything you later find yourself regretting as this could have a long term effect on the relationship; I'm not suggesting to keep silent and admit defeat in every argument or disagreement but try to be the bigger person and diffuse the situation without upsetting each other.

Try to spend as much time as possible with your loved ones this year as this will help to build a strong bond with each other. Single Snakes may not have the best of luck this year for finding a partner but they should still notice an increase in interest from the opposite sex although these relations may be short lived if they rush things.

Overall, the year of the Horse is a mixed one for the Snake and they would do well to take some time out for relaxation where possible and maybe plan a nice trip somewhere. Enjoy a fantastic year.

### **North is the location and direction of the Three Killings**

When at work, you may sit facing the north direction only if this is one of your personal good directions, if not, do not sit with your back to the north or you may find unscrupulous people working against you or you may encounter undue gossip and back stabbing during the year. A very powerful enhancer and little known talisman is placing a sheng chi cure with a Sheng chi enhanced crystal, the whole cure then needs to have a thought form charm placed inside and positively empowered with sheng chi energy (this is already applied to the one's that we sell). I really do love this cure especially as it is a traditional and little known enhancer to only a few Feng Shui masters.

### **South is where Tai Sui (Grand Duke of Jupiter) resides in 2014**

Resides between  $172.5^{\circ}$  -  $187.5^{\circ}$  degrees south in 2014.

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

The traditional Chinese method to appease Tai Sui is to place a Pi Yao or dragon headed tortoise in the north sector of the home or office facing the 15° south radius where Tai Sui sits. This is so important this year.

### **Sui Po is located in the North in 2014 (The year breaker)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2014 is north. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly, so please be very careful. Traditionally to appease Sui Po in a Horse year you need to display a sheng chi cure, we have included one in our 2014 cures kit. If you have to carry out work or emergency repairs in the north place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Practitioner to select an auspicious date to start the work or consult our **Tong Shu date selection software**.

### **2014 Chinese Animal Predictions for the Horse**

The Horse will be able to get a great deal done in 2014 and should find that this can be a very memorable year; my one bit of advice for the Horse in 2014 would be to make sure that you do not take others good nature for granted this year as there is a risk of problems caused by people helping the Horse and getting it thrown back in their face.

Career for the Horse will be very good this year and they should start to receive recognition for their previous hard work and dedication in the work place and this could help the Horse go very far in their work place this year. There are strong possibilities of promotion for the Horse in 2014 and this could be a few levels up from their current position making a big financial gain on income also.

Horses feeling unsatisfied in their current employment and Horses looking to find work can really thrive this year with the luck of the Horse year behind them. If the Horse is active in searching for work and chases up companies, they could solidify a really good contract of employment in 2014 which can lead to great opportunities in 2014 and following years; this will give the Horse to work on their skills and make the most of their potential.

Finances should be very successful for the Horse in 2014 and should see a good sum of money saved at the end of the year; this will mainly be down to their higher position and income in the workplace but the Horse can also be very successful in investments and purchase in 2014 but please remember to talk to a professional if you are ever unsure about your investment and always weigh up the pros and cons before purchasing expensive items or stock.

The Horses finances could be affected if they are to rush in to purchases so please be sure to evaluate prices and always shop around. One thing that is worth spending a

sum of money on this year would be a vacation; this could be anywhere around the world but also could be a local vacation and you do not need to spend a fortune on the trip, just visit somewhere that interests you.

Home life will be good for the Horse in 2014 and they should see many chances throughout the year to self-develop and gain much experience from their life. This will be a busy but enjoyable year for the Horse and one where they can accomplish a great deal and take lot in that the world has to offer. One aspect of the Horses life that they should focus on is their general well-being; they should try to approach a healthier lifestyle and remain fit and active through exercise although this will be easy for the Horse as they are very motivated.

The Horses social life will be very rewarding this year and they should find that they are hardly ever left without options for social events throughout the year. The Horse will have many opportunities to meet new people throughout the year and some of these people could be quite important; they will also have many occasions to spend time with friends and loved ones over the year which will help strengthen relationships with other but please remember to be thankful of everything others do for you.

Romance is very good for the Horse this year but please be sure to give thanks to your loved ones as this could cause problems if not. Single Horses will find a great deal of attention coming their way from the opposite sex and this can be a great time to solidify strong bonds with new partners. If you decide to go ahead with a trip in 2014, it would benefit you to take your partner along as this will really strengthen your bond between you both.

Overall, this will be a very pleasant and enjoyable year for the Horse with much to do and much to learn. It would be wise to make sure that you take plenty of time out for yourself and also for others and make the most out of the year of the Horse. Have a fantastic year.

### **To enhance wealth, luck, business and career for the Horse in 2014:**

The most influential and imperative cure and enhancer in 2014 is called a Cai Ling Fu *Master cure* and can only be used in Yang Wood Horse years, the last time this powerful cure would have been used was in 1954 which was also a Yang Wood Horse year. This cure is needed to enhance and protect in 2014 especially for the eldest male of a home or business.

This traditional Feng Shui cure is only known to a few specialist Feng Shui Masters and in the old days and even now in Asia you would need to employ a expert Feng Shui Master to call at your home or business and the Master would spend hours carving the secret inscriptions onto an earth plate made from the finest slate or marble, which would then be placed in the northwest of your home or business and then setting the special quartz crystals and i-ching coins. This would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures is so all can afford them at a fraction of the cost.

Each of the rare and valuable semi-precious quartz crystals work in synergy with the inherent element of the Luo Shu Gua Trigrams giving total protection for wealth, health & peace of mind and releasing the #8 star from the inherent powerful energies of the #9 Li star in the south in 2014 to permeate the whole building. The most powerful quartz crystal used is the Tigers Iron which is a master crystal with amazing protection qualities and also superb for wealth and business.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2014 we decided to include it standard in all our **2014 cures and enhancers kit**. If you follow this link you will find full details **2014 flying star analysis follow this link**.

### **To enhance romance for the Horse in 2014:**

Romance can be enhanced in the south and centre of your home, **click here** for further details. Whilst this #4 star is very auspicious, without cures this #4 star can bring both wanted and unwanted romantic opportunities to the household if the cures are not put in place. This is caused by the #4 being trapped in the centre palace in 2014 and needs a very special Talisman to release it. To enhance romance and career in 2014 place this Shou Kun qi Fu (trapped qi talisman) Wish & romance enhancer in the centre of your home, you should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it really is very easy to do.

Make sure you follow the **2014 Flying Star (Xuan Kong) recommendations**. If your office or bedroom is located in one of the directions mentioned, please be aware

that in the months of April & June 2014 you should make sure you at least place a **set of six Chinese coins** tied in a row with red ribbon for the month especially if you are not in good health or very stressed.

To further enhance 2014 check out the **monthly almanac, flying stars and animal predictions** as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

The Roosters amazing organisational skills will help them out a huge amount in the year of the Horse and they will find that they enter the year fully prepared for whatever lays ahead. A great way to get ahead this year would be to write a wish list of what they wish to achieve this year and check back on the list regularly and add to what they would like out of this year.

Career for the Rooster will go very well during the year of the Horse as they will be fully prepared for any changes or adaptations required for the year ahead; this will get them a lot further than they think. The Horse year is a fast paced one and may take the Rooster by surprise as they like to prepare for everything beforehand but the Rooster would do well to act on impulse at times and snap up opportunities that are given to them as this will work well in their favour.

There will be a lot of progress for the Rooster throughout the year and they will be able to climb the social ladder on occasions which will give them a great deal of joy. For Roosters looking to change profession, this is a challenging year for this and they will need to apply themselves 100% to getting the results they want; this also applies to Roosters looking for work in general.

Finance is also an area of care for the Rooster in the year of the Horse as they will need to keep a close eye on their expenses throughout the duration of the year or they could see debts building up. The best thing for the Rooster to do in 2014 with regards to finance is to always check over the terms and conditions and be sure that what they are signing up for is a good idea. If they are able to closely monitor their outgoings, they should be able to do well with finances this year

Home life is good for the Rooster in 2014 and there will be many opportunities to take part in many family activities and make some really memorable moments. They will find that their hobbies and interests are coming to light this year and they would be wise to take part in more activities that bring them joy as this could bring a lot of peace to the Rooster. It would be wise for the Rooster to not take on too much work at home this year as they could tire themselves out so please be sure to split the chores equally.

Social life for the Rooster will thrive in the year of the Horse and they will see many opportunities to attend events and spend time with friends and loved ones throughout the year; one recommendation would be to step away from jealous feelings and arguments in the year of the Horse as there is a risk of this causing problems for the Rooster. A positive attitude and being the bigger person will save you a lot of grief.

Romance will be good for the Rooster although they will have to avoid feeling jealous if possible and also remain calm in moments of stress and anger as this could quickly dissipate a strong relationship. The best thing for the Rooster to do in 2014 with regards to relationships is to fill their relationship with love and good times to avoid any arguments. Single Roosters looking for love should be able to attract attention from the opposite sex but they will need to keep a very laid back attitude to their new partner if they are to succeed.

There are a few rules to the year of the Horse for 2014 but if you follow the above advice you should be able to avoid a large amount of problems throughout the duration of the year and enjoy a very satisfying and joyous year of the Horse.

### **To enhance wealth, luck, business and career for the Rooster in 2014:**

The most influential and imperative cure and enhancer in 2014 is called a Cai Ling Fu *Master cure* and can only to be used in Yang Wood Horse years, the last time this powerful cure would have been used was in 1954 which was also a Yang Wood Horse year. This cure is needed to enhance and protect in 2014 especially for the eldest male of a home or business.

This traditional Feng Shui cure is only known to a few specialist Feng Shui Masters and in the old days and even now in Asia you would need to employ a expert Feng Shui Master to call at your home or business and the Master would spend hours carving the secret inscriptions onto an earth plate made from the finest slate or marble, which would then be placed in the northwest of your home or business and then setting the special quartz crystals and i-ching coins. This would normally cost tens of thousands of pounds and obviously only available to the very rich which is still the case in many parts of the world and the reason why we create these powerful cures is so all can afford them at a fraction of the cost.

Each of the rare and valuable semi-precious quartz crystals work in synergy with the inherent element of the Luo Shu Gua Trigrams giving total protection for wealth, health & peace of mind and releasing the #8 star from the inherent powerful energies of the #9 Li star in the south in 2014 to permeate the whole building. The most powerful quartz crystal used is the Tigers Iron which is a master crystal with amazing protection qualities and also superb for wealth and business.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection and because this cure is very important for wealth in 2014 we decided to include it standard in all our **2014 cures and enhancers kit**. If you follow this link you will find full details **2014 flying star analysis follow this link**.

### **To enhance romance for the Rooster in 2014:**

Romance can be enhanced in the south and centre of your home, **click here** for further details. Whilst this #4 star is very auspicious, without cures this #4 star can bring both wanted and unwanted romantic opportunities to the household if the cures are not put in place. This is caused by the #4 being trapped in the centre palace in 2014 and needs a very special Talisman to release it. To enhance romance and

career in 2014 place this Shou Kun qi Fu (trapped qi talisman) Wish & romance enhancer in the centre of your home, you should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it really is very easy to do.

Make sure you follow the **2014 Flying Star (Xuan Kong) recommendations**. If your office or bedroom is located in one of the directions mentioned, please be aware that in the months of April & June 2014 you should make sure you at least place a **set of six Chinese coins** tied in a row with red ribbon for the month especially if you are not in good health or very stressed.

To further enhance 2014 check out the **monthly almanac, flying stars and animal predictions** as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our [2014 advanced Feng Shui software](#); it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful [Tong Shu Almanac date selection software](#) this will make 2014 a better year indeed.

To disperse the negative effects in 2014, you should hang a set of six Chinese coins tied with red ribbon and a salt water cure in the northwest and east of your home or office this year to control the #5 and #2 stars. For full details on **2014 flying star analysis follow this link**. This is very important in 2014 especially if you have a main door, bedroom, office, lounge or other important room in the south, north and east.

### **North is the location and direction of the Three Killings**

When at work, you may sit facing the north direction only if this is one of your personal good directions, if not, do not sit with your back to the north or you may find unscrupulous people working against you or you may encounter undue gossip and back stabbing during the year. A very powerful enhancer and little known talisman is placing a sheng chi cure with a Sheng chi enhanced crystal, the whole cure then needs to have a thought form charm placed inside and positively empowered with sheng chi energy (this is already applied to the one's that we sell). I really do love this cure especially as it is a traditional and little known enhancer to only a few Feng Shui masters.

### **South is where Tai Sui (Grand Duke of Jupiter) resides in 2014**

Resides between  $172.5^{\circ}$  -  $187.5^{\circ}$  degrees south in 2014.

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

The traditional Chinese method to appease Tai Sui is to place a Pi Yao or dragon headed tortoise in the north sector of the home or office facing the 15° south radius where Tai Sui sits. This is so important this year.

### **Sui Po is located in the North in 2014 (The year breaker)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2014 is north. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any noisy activities. If disturbed this area can and normally will cause immediate health problems especially for the elderly, so please be very careful. Traditionally to appease Sui Po in a Horse year you need to display a sheng chi cure, we have included one in our 2014 cures kit. If you have to carry out work or emergency repairs in the north place a six hollow metal rod wind chime between the buildings and where the work is being carried out and ideally you should contact a professional Feng Shui Practitioner to select an auspicious date to start the work or consult our **Tong Shu date selection software**.

### **2014 Chinese Animal Predictions for the Dog**

It would be of benefit to the Dog to broaden their horizons in their search for work this year as something they may have never considered previously could turn out to be a really promising role for the Dogs career.

Finances could be higher this year due to their efforts at work and overall, the Dog will have a good income which they can use to save for future events and plans they may have. It is advisable for the Dog to try and reduce outgoings this year to help maximise their savings which they may need throughout the year of the Horse for big purchases or renovations.

Home life for the Dog will be very good this year although they should look in to updating their security system during the year of the Horse as there is risk of theft but please do not worry about this too much as prevention is the best cure. The year of the Horse can be an excellent time for the Dog to travel and see the world and if it is in their budget, they would do well from taking an extended trip with loved ones. Please take care of your health this year and keep an eye on your diet during 2014.

My father is a Dog and I will be making sure he gets plenty of exercise and will be keeping an eye on his diet.

Social life will be good for the Dog throughout the year of the Horse and they will have many times where they are stuck between plans and have to choose what to attend; this really will be a great year for the Dog and socialising and one where the Dog can make a lot of new friends which can grow to be very close friends in the future thanks to the Dogs faithful nature.

Romance is good for the Dog during the year of the Horse and both single and taken Dogs will enjoy many beautiful moments. Dogs in a relationship will go through the year fairly trouble free with little arguments or problems and it would be a great idea to take your loved one on a trip if you decide to go as this will strengthen your relationship a great deal. ## **2014 Chinese Animal Predictions for the Pig**

The Pig will do extremely well during the year of the Horse and will have a great deal of great moments and opportunities to develop themselves. The Pig may have not had the best outcome from the year of the Snake but they should find that they are entering 2014 with a great sense of confidence.

Career will be very fortunate for the Pig throughout the year of the Horse and will be a year where they find it very easy to gain skills and knowledge in their work place and should see a few opportunities to take their career to the next level throughout the year which will benefit the Pig a great deal. For Pigs looking to change career or Pigs looking for work, the year of the Horse brings many opportunities through the Pigs vast range of skills and good business sense to do very well in securing a good position with a very lucrative company.

Home life will be good for the Pig throughout the year of the Horse but there are a few things that you will need to do to make the most of the year. Throughout the year, you must try to take a lot of time out for yourself to make sure that you get plenty of relaxation and time to contemplate what you want out of this year and also in life. Families will sometimes seek advice from the Pig in 2014 and the Pig will do really well to offer their help as this could help all their friends and family.

The Pig should also take care of themselves during the year of the Horse as there is risk of neglect to their own personal health so it would be wise to keep a steady eye on your diet and also try to get plenty of exercise to be sure that you are as healthy as you can be throughout the year.

Finances will be good for the Pig in 2014 although they will need to be somewhat strict on their spending as there is risk of them spending a lot of money fast. If the Pig is able to budget their spending and cut unnecessary expenses throughout the year they should be able to see a good gain. Pigs must check over contracts during the year of the Horse as this could be the cause of money going out fast with high interest rates or something similar.

Social life is looking very good for the Pig in 2014 and this can be a very good year for meeting new people; especially new business connections which can come in of great use to the Pigs throughout the upcoming years. There will be many great social events for the Pig and these could turn out to be some of their best memories of their life that play out during this year. My tip for the Pigs social life is to embrace any new activities and enjoy what comes their way.

Romance is looking extremely hopeful for the Pig during the year of the Horse and this is looking to be a year of great success for single Pigs that are on the lookout for love. There will be strong Peach Blossom luck for the Pig this year and this will give them some great opportunities for finding new love. The single Pig may find that their new relationship may not work out this year although please remember that this was simply not meant to be and there will be plenty more opportunities throughout the year for the Pig. Pigs in a relationship should see a very good year ahead and one where they will be able to cure any previous problems and thrive this year.

Overall, this can be a very successful year for the Pig and one where they can accomplish a great deal and create a lot of new connections that will really help the Pig in the upcoming years. This could be a great year for the Pig to find their soul partner and really bond with a new love. Have a fantastic year of the Horse and enjoy life to the fullest.
