**Are you prepared for 2019?**

Chinese New Year brings the opportunity for everyone to make drastic changes in their circumstances with energies shifting around the home during the end of the year and also in each person and I am sure there will be many Dragons who welcome the change that will take place at the end of the year of the Dog as they have spent the last year in direct conflict with the Dog and may have faced some challenges over the last 12 months although I know there will have been many Dragons who have enjoyed 2018 and what it had to offer, including myself. I am an Earth Dragon (1988) and had a fantastic year of the Dog.

Those who would welcome a change of atmosphere can look forward to the 5<sup>th</sup> February 2019 when Chinese New Year 2019 takes place which will be the year of the Yin Earth Pig (Ji Hai). The best advice I can give to any of the Chinese animals, whether you're predicted a problematic or easy year is to plan early and don't leave it to the last minute; take a read through our [free advice for Chinese New Year 2019](#) and take a look through the [annual Feng Shui cures and enhancers for 2019](#) and then combine this with a positive outlook on the year ahead in order to make this a successful and fun year of the Pig.

## What is the conflict animal for 2019, year of the Yi Earth Pig?

From the 4<sup>th</sup> February 2019 to the 3<sup>rd</sup> February 2020, the conflict animal for the year of the Pig will be the Snake which would be anyone born between the 4<sup>th</sup> February – 3<sup>rd</sup> February in the following years:

- 4<sup>th</sup> February 2013 – 3<sup>rd</sup> February 2014
- 4<sup>th</sup> February 2001 – 3<sup>rd</sup> February 2002
- 4<sup>th</sup> February 1989 – 3<sup>rd</sup> February 1990
- 4<sup>th</sup> February 1977 – 3<sup>rd</sup> February 1978

4<sup>th</sup> February 1965 – 3<sup>rd</sup> February 1966  
4<sup>th</sup> February 1953 – 3<sup>rd</sup> February 1954  
4<sup>th</sup> February 1941 – 3<sup>rd</sup> February 1942  
4<sup>th</sup> February 1929 – 3<sup>rd</sup> February 1930

Please do not start panicking if you are born in the years above as there is a huge amount you can do to make this year a good one. Although the Snake is the conflict animal for 2019, this does not automatically doom you to a terrible 2019; it just means the year may have a few more challenges and setbacks than you had hoped for, but there will still be a lot to look forward to! All of the 12 Chinese animals will have some area of their life that will require attention in 2019 although as you read below, you will see that some will have it easier than others; you have to take the good with the bad, unfortunately. I have written below how all of the 12 animals can make the most of the year of the Pig and what to focus on in their life this year. As we come into the year of the Pig, we will need some special cures and enhancers in 2019 to make the most of the year, and this is especially the case for certain animals.

Anyone born in the year of the Snake can be affected by the differing influences of the year of the Yin Earth Pig. The Snake is in direct conflict during the year of the Pig and will need to remain aware that they could encounter difficulties and will need to apply care when going about their daily life and also when making big decisions in life this year. If you follow the advice we give here, you can avoid many problems in our opinion so please try not to worry too much.

### **Is Chinese astrology the same as western astrology?**

Although similar in some ways, Chinese astrology and western astrology are two very different practises and should not be taken as the same thing. Chinese astrology is the practice of using [cures and enhancers](#) in your home, office, shop or any building to make the most of their circumstances and also enhance good aspects and dissipate bad aspects of the home's energy. The flying stars in a home have the ability to not only bring great luck into the home, but they can also cause a lot of problems, making it important to create a good balance. Chinese astrology is also about knowing how the year ahead could turn out and what you should be aware of in your life for the year according to the Chinese Animals. Having an insight into how your year can go is an enormous advantage and will help you to make sure you focus on what needs to be done. Even if you are predicted problems in the year ahead, this helps you to know what to avoid and work around to make the year a success.

Prevention is usually the best solution when you are predicted a troublesome year; if you read below that your animal could suffer from regular minor illnesses, you can then focus on your health for the year and create a healthy eating plan along with regular exercise. Knowing what could take place in the year ahead can help with good and bad aspects of your life; if you read below that your animal can advance in their career this year, it would be wise to dedicate time to your work and take on a more active role in the workplace.

We spend a great deal of time researching the 12 Chinese animals for the year ahead to make sure that the advice and information we give is as accurate and detailed as possible. When reading your analysis for your Chinese animal for 2019, I would recommend taking the time to read through carefully and even print it out so you can check back on it regularly throughout the year when making big decisions to help you make the most of your year and avoid problems that could take place in 2019. When we know what could come our way in

2019, we can take our time and plan our next moves to avoid bad influences during 2019 and also when and how to make the most of the good influences.

### **What can I do to make the year of the Pig as successful as possible?**

The best advice I can give you for the year of the Pig is to make sure that you prepare early! Every year, we receive thousands of emails and calls during the week before Chinese New Year asking if we can get a cures kit over to Australia in three days or what to do with the northwest of the home as Tai Sui is located there for the year. Although we ship orders very quickly, it is out of our control to send the annual cures and enhancers kit across the world in a few days and luckily, we have noticed that people are a lot more prepared in recent years ordering the [2019 Cures and enhancers](#) in November and December in order to make sure everything is ready for the year ahead and there is no mad rush in February.

Another vital tool for the year of the Pig is the [2019 Flying Star Analysis](#) for the year. Let's say that your Chinese Animal is the Snake and you read below in the predictions that the year ahead will bring problems in to your life; by thinking positive and researching your Flying Star chart and enhancing the good areas and weakening the bad areas, you honestly can bypass a large number of problems that could be coming your way. It's amazing how you can uncover the cause of your problems just by going through the Flying Star chart for your home or office.

If you are unsure how to map the Flying Star chart for your home, I would recommend taking a look at our Academy of [Feng Shui Flying Star software](#) as this will not only map your home, it will also give you a full analysis for every sector of your home or office.

### **Superduperfastfengshuifastresults4u.com said that all Snakes would lose their jobs and go bald in 2019; is this accurate?**

The Snake will likely have some problems in 2019 and it is possible that there will be some Snakes that go bald in 2019 although the chances are that the Feng Shui website is using scare tactics saying that you will have all sorts of problems during the year of the Pig and will need to buy all of their cures and enhancers in order to avoid problems and will more than likely charge £50 for 15 minutes to speak with them on the phone for advice. We have always worked on the ethos of offering alternatives to Feng Shui cures for people who do not want to use them or cannot afford them; although it is not as effective, we always believe that the options should be given. You will also see on our site that we have plenty of ways to easily get in contact to ask us questions or advice.

We have been writing Chinese Animal predictions for the last nineteen years, and while we always state the facts, we will always offer a solution to any problems that may arise. Please take the advice that you read with a pinch of salt and have a fantastic year of the Pig.

**“It's impossible to map out a route to your destination if you don't know where you're starting from”.**

We usually release all of the annual information and cures around early November so that everyone has plenty of time to prepare for Chinese New Year and although we have other events ahead of this such as Thanksgiving, Christmas, New Year and others, I would still strongly recommend preparing as early as you can as I always find that Chinese New Year soon creeps up on you if you don't plan ahead of time as it is easier to get a Christmas

present at the last minute rather than get your [Annual Cures and Enhancers](#) in place on the 4<sup>th</sup> February 2019 (the date when you place your annual cures and enhancers. You can also make sure that you check back at the beginning of every month on here for our monthly updates to be even more prepared for the year ahead.

If you want to be fully prepared, you could use our **professional Flying Star Feng Shui Software** or [2019 Tong Shu Almanac Software](#) which will give you total control on an annual and monthly basis. This year we have combined the software with our [annual cures kit](#) to give you even better value and savings.

As I mentioned above, those born in the year of the Snake may be affected by the energy of the Pig year as the Snake is the conflict animal for the Pig year. Although the Snake may encounter problems in 2019, once you are aware of the potential problems, the Snake can do a huge amount to avoid these problems fully materialising with avoiding risks and dangers. The degree of influence varies from one person to another.

As a Rat, you are in affinity with the Ox. For your protection, you should have a **key chain pendant of an Ox**, or a [Gold plated Chinese Animal protection Talisman of an Ox](#) with you at all times throughout the year in 2019.

Your lucky sectors: (astrological zone) is the North ( $352.5^{\circ}$  -  $7.5^{\circ}$ ) of the home or office. For full details on **2019 Flying star analysis follow this link.**

### **To enhance wealth, luck, business and career for the Rat in 2019:**

The last Ji Hai, Yin Earth Pig years were in 1959, 1899 and 1839, each of the years were unstable with severe clashes of energies and this year very special cures, and enhancers are need more than ever and the most influential and crucial cure and enhancer in 2019 is called a [Madaochengong Master Cure](#) and can only to be used in a Yin Earth Pig year. The last time that this powerful cure and enhancer would have been used was in 1959 which was also a Yin Earth Pig year although only a privileged few got to use it.

The Madaochengong master cure is placed in a home or business to protect and enhance wealth and good luck during 2019 for all occupants of the building.

This Feng Shui Cure is only known to a few specialist Feng Shui Grand Masters and in the old days and even now in southeast Asia, you would need to employ a specialist Feng Shui Grand Master to call at your home or business where they would come along with an expert zhuanke (seal carver) who would spend many hours carving the secret engravings on to the eight (Ba) sided earth plate with a powerful Taoist inscription for the Ji Hai year and would be carved on a large piece of slate or marble or other material that is made from an earth element although slate is considered the best.

This is an extremely powerful enhancer and said to create wealth and also prevent its loss and avoid bad luck in 2019 and permeate luck through the whole building.

The most crucial part of this cure are the combination of thought form quartz crystals, gold wealth ingot, hematite arrow, earth plate, Taoist inscription, and Chinese i-ching coins which are used to free the energy of the annual 8-star which is trapped in the central palace in 2019 and permeate to the other eight palaces of the Lo shu making this a very powerful

enhancer and one that we have gone to lengths creating and sourcing the correct elements which took us over two years.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection, and because this cure is very important for wealth in 2019, we included it standard in all our [2019 cures and enhancers kits](#). If you follow this link, you will find full details [2019 flying star analysis follow this link](#).

### **To enhance romance for the Rat in 2019:**

Romance, academic, relationship, and creative studies can be enhanced in the north (#4 star) and centre (#8 star) of your home, **click here** for further details. While this #4 star is very auspicious, without the necessary cures, the #4 star can bring both wanted and unwanted romantic opportunities to the household if the correct cures are not put in place especially if you have the main entrance or an important room like a master bedroom or living room.

The north has the powerful #4 star fly in to the north in 2019, and this star governs relationships, romance, career, travel, creativity, academic and artistic talents, wisdom and intelligence as well as self-development, making this a very powerful star. As we have the wood energy from the annual #4 star being fed by the inherent energy of the #1 water star, we can expect good things when the north is activated correctly in 2019.

The most powerful cure you can use to enhance the #4 star in the north during 2019 is the [Shixian Wish and romance enhancer](#). This enhancer is used to strengthen Peach Blossom and help increase wealth, romance, career, educational and relationship luck. You should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it is very easy to do.

Make sure you follow the [2019 Flying Star \(Xuan Kong\) recommendations](#). If your office or bedroom is located in the north, please be aware that in the months of April and July 2019, and January 2020, you should make sure you at least place a [Six Chinese i-ching coins In a row](#) tied in a row with red ribbon for these months especially if you are not in good health or very stressed and especially for the eldest male or any male of a home or business. If you have a bedroom located in the centre, place Six Chinese i-ching coins In a row during February, May, and November.

### **Avoiding bad luck in 2019**

Looking at the chart above, you will see that we have the #2 black star enter the northeast of the lo shu in 2019 and we are going to need special cures and enhancers in the northeast to weaken the malevolent influence of this star. At the least, I would hang a set of six Chinese coins tied with red ribbon and also place a salt water cure in the northeast and southwest in 2019 to control and weaken the annual #2 and #5 stars. For full details on [2019 flying star analysis follow this link](#). This is very important in 2019 especially if you have the main door, bedroom, office, lounge or other important room in the southwest, south, southeast or northeast.

This is just a small part of what you can do to ensure 2019 will be a good year and to enhance 2019 further I would suggest checking out the [monthly almanac, flying stars and animal predictions](#) as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars giving you the ultimate control of your home or business, you should consider our [2019 advanced Feng Shui software](#); it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful [Tong Shu Almanac date selection software](#) this will make 2019 a better year indeed.

### **The Three Killings – west (232.5 - 307.5)**

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a [six hollow rod metal wind chime](#) along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

If you have a door in the west in 2019, please take a lot of care when opening and closing the door to make sure it is not slammed. Settle and avoid the influence of the Three Killings by opening and shutting the door calmly or install a soft close hinge.

Urgent repairs to your home or office in the west during 2019 will need a cure to prevent any negative consequences. You can place a six hollow metal rod wind chime between the building and where the work is being carried out or ideally, contact a professional Feng Shui Consultant to select an auspicious date to start the work. Our [Tong Shui software](#) will also easily calculate the perfect time for you.

### **Tai Sui (The Grand Duke of Jupiter) - northwest (322.5° - 337.5°)**

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a [Xie Tai Tai Sui plaque](#) along with a [Three immortals](#) to pay respect and appease the Deity and also enhance the annual #9 star.

By paying respect to Grand Duke of Jupiter, we can weaken or avoid the problems this can bring.

### **Sui Po (Year Breaker) - southeast (142.5° - 157.5°)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2019 is the southeast. You should treat this area the same as the other annual afflictions with

no ground-breaking work, renovations or any loud activities. If disturbed, this area can and usually will cause immediate health problems especially with regards to the elderly, so please be very careful with the southeast of your home or office this year. Traditionally to appease Sui Po in a Pig year, you need to display a [9 Tier Wen Chang Pagoda](#) which works to appease Sui Po and also weaken the annual #7 in 2019 which we have included in all of our [2019 Cures and Enhancers Kits](#).

### **The annual five yellow star - southwest (202.5 - 247.5)**

The annual five yellow has flown to the southwest in 2019, and this is not good and the reason why so many specialist cures are needed in 2019. It is highly recommended not to disturb the southwest of your home or business with noisy activities, renovations or maintenance work this year. When disturbed, the Five Yellow can bring disaster, sickness, lawsuit and major loss of wealth so please be very careful in the southwest in 2019 as it is very afflicted. In 2019 you must place a set of six Chinese i-ching coins tied with red ribbon, a six-rod hollow metal wind chime and a salt water cure in the southwest to avoid the problems that are associated the #5 yellow disaster star.

Please do not start panicking if you have a bedroom or office that is located in the northeast, southeast, southwest or south in 2019; just start preparing to place your [2019 cures and enhancers kit](#) as of the 4th February 2019 to ensure a trouble free year and also cleanse any old cures that you will be reusing this year, and of course make sure you sign up for our free newsletter, so you are kept up to date with the monthly flying stars giving you even more control of your destiny. To give you even better control, use our advanced [Feng Shui 2019 software](#) as this gives an advanced analysis of every home or office facing any direction in any part of the world.

### **2019 Chinese Animal Predictions for the Ox**

Pig years reward the hardworking, and there's no doubt that the Oxen is one of the most diligent and reliable signs. This fact will bear well and bring great rewards for Oxen in the 2019 year of the Yin Earth Pig. However, he must take advantage of opportunities that come his way; this year requires action. 2019 will also require the reserved Ox to step out of his comfort zone and connect with others through parties and other social occasions. The good news is that he will feel driven to socialise and engage with others which will improve his overall well-being.

#### **Work life for the Ox during 2019**

2019 will offer opportunities to progress in the workplace. Keep your eyes open for changes within the workplace including any shifting of staff; you could find it's the perfect time to rise in the ranks and benefit from these changes. If Ox is unhappy at work 2019 is an excellent time to take action and look to change. Remind yourself often, Oxen - even if you have to write it daily in a journal - to succeed and move forward in a Pig year it's imperative to take action.

#### **Finances for the Ox during 2019**

By nature, Oxen are generally cautious when it comes to money and spending, but 2019 could find many Ox overspending. These outgoings could be for the home, expensive purchases or even from attending more social occasions as is forecasted for this year. Enjoy your year Ox, but you will benefit enormously from setting up a budget and avoid the stress

that ensues when you haven't been checking your bank balance.

### **Domestic and social life for the Ox during 2019**

Ox are generally reserved and private souls and have a close circle of friends. During 2019, however, Ox will find he'll feel the urge to accept invitations to parties and other social events. Participating in and engaging with others will bring much joy to the life of Ox, especially those who have been dealing with personal issues over the past few years. Joining a group could also bring satisfaction to any lonely Ox.

Once again, remind yourself that a Pig year requires action. Be proactive and step out and enjoy the new friends you will make. If seeking romance then some Ox could find a more profound relationship evolving over the year.

Plan time to spend with loved ones and organise events family members can enjoy together. 2019 can be especially pleasing when it comes to home life.

With all that is happening throughout the year, Ox will need to pay attention to his wellbeing. Make sure to eat well, exercise, unwind and don't neglect your interests.

### **Overall synopsis for the Ox during 2019**

This 2019 Pig year will be very satisfying for the Ox. There will be many special times to enjoy throughout the year. In particular engaging with others, relaxing and having fun at social events. Embrace also opportunities to move forward in the workplace. Don't miss any opportunities both at work, home and social life. There is much to be gained, but you must take action. Enjoy your year Ox.

As an Ox, you are in affinity with the Rat. For your protection, you should have a **key chain pendant of a Rat**, or a [Gold plated Chinese Animal protection Talisman of a Rat](#) with you at all times throughout the year.

Your lucky sectors: (astrological zone) is the Northeast (22.5° - 37.5°) of the home or office. For full details on [2019 flying star analysis follow this link](#).

If you are relocating your desk this year to face one of your favourable personal directions, please be aware of the directions and locations of the annual afflictions. If you are unsure of your Gua and best directions follow [this link](#) or maybe consider using our **Feng Shui software** that calculates Gua, Chinese animal including an element, flying stars, annual, fixed and monthly and so much more.

If you would like to be informed in advance of the monthly, annual and fixed flying stars for the rest of your life giving you the ultimate control of your home or business, you should consider our [advanced Feng Shui software](#); **it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. This is an extremely powerful enhancer and said to create wealth and also prevent its loss and avoid bad luck in 2019 and permeate luck through the whole building.

The most crucial part of this cure are the combination of thought form quartz crystals, gold wealth ingot, hematite arrow, earth plate, Taoist inscription, and Chinese i-ching coins which are used to free the energy of the annual 8-star which is trapped in the central palace in 2019 and permeate to the other eight palaces of the Lo shu making this a very powerful enhancer and one that we have gone to lengths creating and sourcing the correct elements which took us over two years.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection, and because this cure is very important for wealth in 2019, we included it standard in all our [2019 cures and enhancers kits](#). If you follow this link, you will find full details [2019 flying star analysis follow this link](#).

### **To enhance romance for the Ox in 2019:**

Romance, academic, relationship, and creative studies can be enhanced in the north (#4 star) and centre (#8 star) of your home, [click here](#) for further details. While this #4 star is very auspicious, without the necessary cures, the #4 star can bring both wanted and unwanted romantic opportunities to the household if the correct cures are not put in place especially if you have the main entrance or an important room like a master bedroom or living room.

The north has the powerful #4 star fly in to the north in 2019, and this star governs relationships, romance, career, travel, creativity, academic and artistic talents, wisdom and intelligence as well as self-development, making this a very powerful star. As we have the wood energy from the annual #4 star being fed by the inherent energy of the #1 water star, we can expect good things when the north is activated correctly in 2019.

The most powerful cure you can use to enhance the #4 star in the north during 2019 is the [Shixian Wish and romance enhancer](#). This enhancer is used to strengthen Peach Blossom and help increase wealth, romance, career, educational and relationship luck. You should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it is very easy to do.

Make sure you follow the [2019 Flying Star \(Xuan Kong\) recommendations](#). If your office or bedroom is located in the north, please be aware that in the months of April and July 2019, and January 2020, you should make sure you at least place a [Six Chinese i-ching coins In a row](#) tied in a row with red ribbon for these months especially if you are not in good health or very stressed and especially for the eldest male or any male of a home or business. If you have a bedroom located in the centre, place Six Chinese i-ching coins In a row during February, May, and November.

### **Avoiding bad luck in 2019**

Looking at the chart above, you will see that we have the #2 black star enter the northeast of the lo shu in 2019 and we are going to need special cures and enhancers in the northeast to weaken the malevolent influence of this star. At the least, I would hang a set of six Chinese coins tied with red ribbon and also place a salt water cure in the northeast and southwest in 2019 to control and weaken the annual #2 and #5 stars. For full details on [2019 flying star analysis follow this link](#). This is very important in 2019 especially if you have the main door, bedroom, office, lounge or other important room in the southwest, south, southeast or northeast.

This is just a small part of what you can do to ensure 2019 will be a good year and to enhance 2019 further I would suggest checking out the [monthly almanac, flying stars and animal predictions](#) as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

### **The Three Killings – west (232.5 - 307.5)**

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a [six hollow rod metal wind chime](#) along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

If you have a door in the west in 2019, please take a lot of care when opening and closing the door to make sure it is not slammed. Settle and avoid the influence of the Three Killings by opening and shutting the door calmly or install a soft close hinge.

Urgent repairs to your home or office in the west during 2019 will need a cure to prevent any negative consequences. You can place a six hollow metal rod wind chime between the building and where the work is being carried out or ideally, contact a professional Feng Shui Consultant to select an auspicious date to start the work. Our [Tong Shui software](#) will also easily calculate the perfect time for you.

### **Tai Sui (The Grand Duke of Jupiter) - northwest (322.5° - 337.5°)**

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a [Xie Tai Tai Sui plaque](#) along with a [Three immortals](#) to pay respect and appease the Deity and also enhance the annual #9 star.

By paying respect to Grand Duke of Jupiter, we can weaken or avoid the problems this can bring.

### **Sui Po (Year Breaker) - southeast (142.5° - 157.5°)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2019 is the southeast. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any loud activities. If disturbed, this area can and usually will cause immediate health problems especially with regards to the elderly, so please be very careful with the southeast of your home or office this year. Traditionally to appease Sui Po in a Pig year, you need to display a [9 Tier Wen Chang Pagoda](#) which works to appease Sui Po and also weaken the annual #7 in 2019 which we have included in all of our [2019 Cures and Enhancers Kits](#).

### **The annual five yellow star - southwest (202.5 - 247.5)**

The annual five yellow has flown to the southwest in 2019, and this is not good and the reason why so many specialist cures are needed in 2019. It is highly recommended not to disturb the southwest of your home or business with noisy activities, renovations or maintenance work this year. When disturbed, the Five Yellow can bring disaster, sickness, lawsuit and major loss of wealth so please be very careful in the southwest in 2019 as it is very afflicted. In 2019 you must place a set of six Chinese i-ching coins tied with red ribbon, a six-rod hollow metal wind chime and a salt water cure in the southwest to avoid the problems that are associated the #5 yellow disaster star.

Please do not start panicking if you have a bedroom or office that is located in the northeast, southeast, southwest or south in 2019; just start preparing to place your [2019 cures and enhancers kit](#) as of the 4th February 2019 to ensure a trouble free year and also cleanse any old cures that you will be reusing this year, and of course make sure you sign up for our free newsletter, so you are kept up to date with the monthly flying stars giving you even more control of your destiny. ### **The Three Killings – west (232.5 - 307.5)**

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a [six hollow rod metal wind chime](#) along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

If you have a door in the west in 2019, please take a lot of care when opening and closing the door to make sure it is not slammed. Settle and avoid the influence of the Three Killings by opening and shutting the door calmly or install a soft close hinge.

Urgent repairs to your home or office in the west during 2019 will need a cure to prevent any negative consequences. You can place a six hollow metal rod wind chime between the building and where the work is being carried out or ideally, contact a professional Feng Shui Consultant to select an auspicious date to start the work. Our Tong Shui software will also easily calculate the perfect time for you.

### **Tai Sui (The Grand Duke of Jupiter) - northwest (322.5° - 337.5°)**

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a Xie Tai Tai Sui plaque along with a Three immortals to pay respect and appease the Deity and also enhance the annual #9 star.

By paying respect to Grand Duke of Jupiter, we can weaken or avoid the problems this can bring.

### **Sui Po (Year Breaker) - southeast (142.5° - 157.5°)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2019 is the southeast. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any loud activities. If disturbed, this area can and usually will cause immediate health problems especially with regards to the elderly, so please be very careful with the southeast of your home or office this year. Traditionally to appease Sui Po in a Pig year, you need to display a 9 Tier Wen Chang Pagoda which works to appease Sui Po and also weaken the annual #7 in 2019 which we have included in all of our 2019 Cures and Enhancers Kits.

### **The annual five yellow star - southwest (202.5 - 247.5)**

The annual five yellow has flown to the southwest in 2019, and this is not good and the reason why so many specialist cures are needed in 2019. It is highly recommended not to disturb the southwest of your home or business with noisy activities, renovations or maintenance work this year. When disturbed, the Five Yellow can bring disaster, sickness, lawsuit and major loss of wealth so please be very careful in the southwest in 2019 as it is very afflicted. In 2019 you must place a set of six Chinese i-ching coins tied with red ribbon, a six-rod hollow metal wind chime and a salt water cure in the southwest to avoid the problems that are associated the #5 yellow disaster star.

Please do not start panicking if you have a bedroom or office that is located in the northeast, southeast, southwest or south in 2019; just start preparing to place your [2019 cures and](#)

### **To enhance wealth, luck, business and career for the Dragon in 2019:**

The last Ji Hai, Yin Earth Pig years were in 1959, 1899 and 1839, each of the years were unstable with severe clashes of energies and this year very special cures, and enhancers are need more than ever and the most influential and crucial cure and enhancer in 2019 is called a Madaochengong Master Cure and can only to be used in a Yin Earth Pig year. The last time that this powerful cure and enhancer would have been used was in 1959 which was also a Yin Earth Pig year although only a privileged few got to use it.

The Madaochengong master cure is placed in a home or business to protect and enhance wealth and good luck during 2019 for all occupants of the building.

This Feng Shui Cure is only known to a few specialist Feng Shui Grand Masters and in the old days and even now in southeast Asia, you would need to employ a specialist Feng Shui Grand Master to call at your home or business where they would come along with an expert zhuanke (seal carver) who would spend many hours carving the secret engravings on to the eight (Ba) sided earth plate with a powerful Taoist inscription for the Ji Hai year and would be carved on a large piece of slate or marble or other material that is made from an earth element although slate is considered the best.

This is an extremely powerful enhancer and said to create wealth and also prevent its loss and avoid bad luck in 2019 and permeate luck through the whole building.

The most crucial part of this cure are the combination of thought form quartz crystals, gold wealth ingot, hematite arrow, earth plate, Taoist inscription, and Chinese i-ching coins which are used to free the energy of the annual 8-star which is trapped in the central palace in 2019 and permeate to the other eight palaces of the Lo shu making this a very powerful enhancer and one that we have gone to lengths creating and sourcing the correct elements which took us over two years.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection, and because this cure is very important for wealth in 2019, we included it standard in all our [2019 cures and enhancers kits](#). If you follow this link, you will find full details **[2019 flying star analysis follow this link](#)**.

### **To enhance romance for the Dragon in 2019:**

Romance, academic, relationship, and creative studies can be enhanced in the north (#4 star) and centre (#8 star) of your home, **click here** for further details. While this #4 star is very auspicious, without the necessary cures, the #4 star can bring both wanted and unwanted romantic opportunities to the household if the correct cures are not put in place especially if you have the main entrance or an important room like a master bedroom or living room.

The north has the powerful #4 star fly in to the north in 2019, and this star governs relationships, romance, career, travel, creativity, academic and artistic talents, wisdom and intelligence as well as self-development, making this a very powerful star. As we have the wood energy from the annual #4 star being fed by the inherent energy of the #1 water star, we can expect good things when the north is activated correctly in 2019.

The most powerful cure you can use to enhance the #4 star in the north during 2019 is the **[Shixian Wish and romance enhancer](#)**. This enhancer is used to strengthen Peach Blossom and help increase wealth, romance, career, educational and relationship luck. You should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it is very easy to do.

Make sure you follow the [2019 Flying Star \(Xuan Kong\) recommendations](#). If your office or bedroom is located in the north, please be aware that in the months of April and July 2019, and January 2020, you should make sure you at least place a **[Six Chinese i-ching coins In a row](#)** tied in a row with red ribbon for these months especially if you are not in good health or very stressed and especially for the eldest male or any male of a home or business. If you have a bedroom located in the centre, place Six Chinese i-ching coins In a row during February, May, and November.

### **Avoiding bad luck in 2019**

Looking at the chart above, you will see that we have the #2 black star enter the northeast of the lo shu in 2019 and we are going to need special cures and enhancers in the northeast to weaken the malevolent influence of this star. At the least, I would hang a set of six Chinese coins tied with red ribbon and also place a salt water cure in the northeast and southwest in 2019 to control and weaken the annual #2 and #5 stars. For full details on [2019 flying star analysis follow this link](#). This is very important in 2019 especially if you have the main door, bedroom, office, lounge or other important room in the southwest, south, southeast or northeast.

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a [six hollow rod metal wind chime](#) along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a [Xie Tai Tai Sui plaque](#) along with a [Three immortals](#) to pay respect and appease the Deity and also enhance the annual #9 star.

### **To enhance wealth, luck, business and career for the Horse in 2019:**

The last Ji Hai, Yin Earth Pig years were in 1959, 1899 and 1839, each of the years were unstable with severe clashes of energies and this year very special cures, and enhancers are needed more than ever and the most influential and crucial cure and enhancer in 2019 is called a [Madaochenggong Master Cure](#) and can only to be used in a Yin Earth Pig year. The last time that this powerful cure and enhancer would have been used was in 1959 which was also a Yin Earth Pig year although only a privileged few got to use it.

The Madaochenggong master cure is placed in a home or business to protect and enhance wealth and good luck during 2019 for all occupants of the building.

This Feng Shui Cure is only known to a few specialist Feng Shui Grand Masters and in the old days and even now in southeast Asia, you would need to employ a specialist Feng Shui Grand Master to call at your home or business where they would come along with an expert zhuanke (seal carver) who would spend many hours carving the secret engravings on to the eight (Ba) sided earth plate with a powerful Taoist inscription for the Ji Hai year and would be carved on a large piece of slate or marble or other material that is made from an earth element although slate is considered the best.

This is an extremely powerful enhancer and said to create wealth and also prevent its loss and avoid bad luck in 2019 and permeate luck through the whole building.

The most crucial part of this cure are the combination of thought form quartz crystals, gold wealth ingot, hematite arrow, earth plate, Taoist inscription, and Chinese i-ching coins which

are used to free the energy of the annual 8-star which is trapped in the central palace in 2019 and permeate to the other eight palaces of the Lo shu making this a very powerful enhancer and one that we have gone to lengths creating and sourcing the correct elements which took us over two years.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection, and because this cure is very important for wealth in 2019, we included it standard in all our [2019 cures and enhancers kits](#). If you follow this link, you will find full details [2019 flying star analysis follow this link](#).

### **To enhance romance for the Horse in 2019:**

Romance, academic, relationship, and creative studies can be enhanced in the north (#4 star) and centre (#8 star) of your home, **click here** for further details. While this #4 star is very auspicious, without the necessary cures, the #4 star can bring both wanted and unwanted romantic opportunities to the household if the correct cures are not put in place especially if you have the main entrance or an important room like a master bedroom or living room.

The north has the powerful #4 star fly in to the north in 2019, and this star governs relationships, romance, career, travel, creativity, academic and artistic talents, wisdom and intelligence as well as self-development, making this a very powerful star. As we have the wood energy from the annual #4 star being fed by the inherent energy of the #1 water star, we can expect good things when the north is activated correctly in 2019.

The most powerful cure you can use to enhance the #4 star in the north during 2019 is the [Shixian Wish and romance enhancer](#). This enhancer is used to strengthen Peach Blossom and help increase wealth, romance, career, educational and relationship luck. You should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it is very easy to do.

Make sure you follow the [2019 Flying Star \(Xuan Kong\) recommendations](#). If your office or bedroom is located in the north, please be aware that in the months of April and July 2019, and January 2020, you should make sure you at least place a [Six Chinese i-ching coins In a row](#) tied in a row with red ribbon for these months especially if you are not in good health or very stressed and especially for the eldest male or any male of a home or business. If you have a bedroom located in the centre, place Six Chinese i-ching coins In a row during February, May, and November.

### **Avoiding bad luck in 2019**

Looking at the chart above, you will see that we have the #2 black star enter the northeast of the lo shu in 2019 and we are going to need special cures and enhancers in the northeast to weaken the malevolent influence of this star. At the least, I would hang a set of six Chinese coins tied with red ribbon and also place a salt water cure in the northeast and southwest in 2019 to control and weaken the annual #2 and #5 stars. For full details on [2019 flying star analysis follow this link](#). This is very important in 2019 especially if you have the main door, bedroom, office, lounge or other important room in the southwest, south, southeast or northeast.

### **The Three Killings – west (232.5 - 307.5)**

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a six hollow rod metal wind chime along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

If you have a door in the west in 2019, please take a lot of care when opening and closing the door to make sure it is not slammed. Settle and avoid the influence of the Three Killings by opening and shutting the door calmly or install a soft close hinge.

Urgent repairs to your home or office in the west during 2019 will need a cure to prevent any negative consequences. You can place a six hollow metal rod wind chime between the building and where the work is being carried out or ideally, contact a professional Feng Shui Consultant to select an auspicious date to start the work. Our [Tong Shui software](#) will also easily calculate the perfect time for you.

### **Tai Sui (The Grand Duke of Jupiter) - northwest (322.5° - 337.5°)**

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a Xie Tai Tai Sui plaque along with a Three immortals to pay respect and appease the Deity and also enhance the annual #9 star.

By paying respect to Grand Duke of Jupiter, we can weaken or avoid the problems this can bring.

### **Sui Po (Year Breaker) - southeast (142.5° - 157.5°)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2019 is the southeast. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any loud activities. If disturbed, this area can and usually will cause immediate health problems especially with regards to the elderly, so please be very careful with the southeast of your home or office this year. Traditionally to appease Sui Po in a Pig year, you need to display a 9 Tier Wen Chang Pagoda which works to appease Sui Po and also weaken the annual #7 in 2019 which we have included in all of our 2019 Cures and Enhancers Kits.

### **The annual five yellow star - southwest (202.5 - 247.5)**

The annual five yellow has flown to the southwest in 2019, and this is not good and the reason why so many specialist cures are needed in 2019. ### **To enhance wealth, luck, business and career for the Monkey in 2019:**

The last Ji Hai, Yin Earth Pig years were in 1959, 1899 and 1839, each of the years were unstable with severe clashes of energies and this year very special cures, and enhancers are need more than ever and the most influential and crucial cure and enhancer in 2019 is called a Madaochengong Master Cure and can only to be used in a Yin Earth Pig year. The last time that this powerful cure and enhancer would have been used was in 1959 which was also a Yin Earth Pig year although only a privileged few got to use it.

The Madaochengong master cure is placed in a home or business to protect and enhance wealth and good luck during 2019 for all occupants of the building.

This Feng Shui Cure is only known to a few specialist Feng Shui Grand Masters and in the old days and even now in southeast Asia, you would need to employ a specialist Feng Shui Grand Master to call at your home or business where they would come along with an expert zhuanke (seal carver) who would spend many hours carving the secret engravings on to the eight (Ba) sided earth plate with a powerful Taoist inscription for the Ji Hai year and would be carved on a large piece of slate or marble or other material that is made from an earth element although slate is considered the best.

This is an extremely powerful enhancer and said to create wealth and also prevent its loss and avoid bad luck in 2019 and permeate luck through the whole building.

The most crucial part of this cure are the combination of thought form quartz crystals, gold wealth ingot, hematite arrow, earth plate, Taoist inscription, and Chinese i-ching coins which are used to free the energy of the annual 8-star which is trapped in the central palace in 2019 and permeate to the other eight palaces of the Lo shu making this a very powerful enhancer and one that we have gone to lengths creating and sourcing the correct elements which took us over two years.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection, and because this cure is very important for wealth in 2019, we included it standard in all our [2019 cures and enhancers kits](#). If you follow this link, you will find full details **[2019 flying star analysis follow this link](#)**.

### **To enhance romance for the Monkey in 2019:**

Romance, academic, relationship, and creative studies can be enhanced in the north (#4 star) and centre (#8 star) of your home, **click here** for further details. While this #4 star is very auspicious, without the necessary cures, the #4 star can bring both wanted and unwanted romantic opportunities to the household if the correct cures are not put in place especially if you have the main entrance or an important room like a master bedroom or living room.

The north has the powerful #4 star fly in to the north in 2019, and this star governs relationships, romance, career, travel, creativity, academic and artistic talents, wisdom and intelligence as well as self-development, making this a very powerful star. As we have the wood energy from the annual #4 star being fed by the inherent energy of the #1 water star, we can expect good things when the north is activated correctly in 2019.

The most powerful cure you can use to enhance the #4 star in the north during 2019 is the **[Shixian Wish and romance enhancer](#)**. This enhancer is used to strengthen Peach Blossom and help increase wealth, romance, career, educational and relationship luck. You should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it is very easy to do.

Make sure you follow the [2019 Flying Star \(Xuan Kong\) recommendations](#). If your office or bedroom is located in the north, please be aware that in the months of April and July 2019, and January 2020, you should make sure you at least place a **[Six Chinese i-ching coins In a row](#)** tied in a row with red ribbon for these months especially if you are not in good health or very stressed and especially for the eldest male or any male of a home or business. If you have a bedroom located in the centre, place Six Chinese i-ching coins In a row during February, May, and November.

### **Avoiding bad luck in 2019**

Looking at the chart above, you will see that we have the #2 black star enter the northeast of the lo shu in 2019 and we are going to need special cures and enhancers in the northeast to weaken the malevolent influence of this star. At the least, I would hang a set of six Chinese coins tied with red ribbon and also place a salt water cure in the northeast and southwest in 2019 to control and weaken the annual #2 and #5 stars. For full details on **[2019 flying star analysis follow this link](#)**. This is very important in 2019 especially if you have the main door, bedroom, office, lounge or other important room in the southwest, south, southeast or northeast.

This is just a small part of what you can do to ensure 2019 will be a good year and to enhance 2019 further I would suggest checking out the [monthly almanac, flying stars and animal predictions](#) as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

If you would like to be informed in advance of the monthly, annual and fixed flying stars giving you the ultimate control of your home or business, you should consider our [2019 advanced Feng Shui software](#); it is used by thousands of Feng Shui Masters, Practitioners and students throughout the world. Combining this with our new incredible and extremely powerful [Tong Shu Almanac date selection software](#) this will make 2019 a better year indeed.

### **The Three Killings – west (232.5 - 307.5)**

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a six hollow rod metal wind chime along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

If you have a door in the west in 2019, please take a lot of care when opening and closing the door to make sure it is not slammed. Settle and avoid the influence of the Three Killings by opening and shutting the door calmly or install a soft close hinge.

Urgent repairs to your home or office in the west during 2019 will need a cure to prevent any negative consequences. You can place a six hollow metal rod wind chime between the building and where the work is being carried out or ideally, contact a professional Feng Shui Consultant to select an auspicious date to start the work. Our [Tong Shui software](#) will also easily calculate the perfect time for you.

### **Tai Sui (The Grand Duke of Jupiter) - northwest (322.5° - 337.5°)**

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a Xie Tai Tai Sui plaque along with a Three immortals to pay respect and appease the Deity and also enhance the annual #9 star.

By paying respect to Grand Duke of Jupiter, we can weaken or avoid the problems this can bring.

## **Sui Po (Year Breaker) - southeast (142.5° - 157.5°)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2019 is the southeast. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any loud activities. If disturbed, this area can and usually will cause immediate health problems especially with regards to the elderly, so please be very careful with the southeast of your home or office this year. Traditionally to appease Sui Po in a Pig year, you need to display a 9 Tier Wen Chang Pagoda which works to appease Sui Po and also weaken the annual #7 in 2019 which we have included in all of our 2019 Cures and Enhancers Kits.

## **The annual five yellow star - southwest (202.5 - 247.5)**

The annual five yellow has flown to the southwest in 2019, and this is not good and the reason why so many specialist cures are needed in 2019. It is highly recommended not to disturb the southwest of your home or business with noisy activities, renovations or maintenance work this year. When disturbed, the Five Yellow can bring disaster, sickness, lawsuit and major loss of wealth so please be very careful in the southwest in 2019 as it is very afflicted. In 2019 you must place a set of six Chinese i-ching coins tied with red ribbon, a six-rod hollow metal wind chime and a salt water cure in the southwest to avoid the problems that are associated the #5 yellow disaster star.

Please do not start panicking if you have a bedroom or office that is located in the northeast, southeast, southwest or south in 2019; just start preparing to place your [2019 cures and enhancers kit](#) as of the 4th February 2019 to ensure a trouble free year and also cleanse any old cures that you will be reusing this year, and of course make sure you sign up for our free newsletter, so you are kept up to date with the monthly flying stars giving you even more control of your destiny. This Feng Shui Cure is only known to a few specialist Feng Shui Grand Masters and in the old days and even now in southeast Asia, you would need to employ a specialist Feng Shui Grand Master to call at your home or business where they would come along with an expert zhuanke (seal carver) who would spend many hours carving the secret engravings on to the eight (Ba) sided earth plate with a powerful Taoist inscription for the Ji Hai year and would be carved on a large piece of slate or marble or other material that is made from an earth element although slate is considered the best.

This is an extremely powerful enhancer and said to create wealth and also prevent its loss and avoid bad luck in 2019 and permeate luck through the whole building.

The most crucial part of this cure are the combination of thought form quartz crystals, gold wealth ingot, hematite arrow, earth plate, Taoist inscription, and Chinese i-ching coins which are used to free the energy of the annual 8-star which is trapped in the central palace in 2019 and permeate to the other eight palaces of the Lo shu making this a very powerful enhancer and one that we have gone to lengths creating and sourcing the correct elements which took us over two years.

This is one of the most powerful and commanding cure and enhancer for wealth, health, relationships and protection, and because this cure is very important for wealth in 2019, we included it standard in all our [2019 cures and enhancers kits](#). If you follow this link, you will find full details [2019 flying star analysis follow this link](#).

### **To enhance romance for the Dog in 2019:**

Romance, academic, relationship, and creative studies can be enhanced in the north (#4 star) and centre (#8 star) of your home, **click here** for further details. While this #4 star is very auspicious, without the necessary cures, the #4 star can bring both wanted and unwanted romantic opportunities to the household if the correct cures are not put in place especially if you have the main entrance or an important room like a master bedroom or living room.

The north has the powerful #4 star fly in to the north in 2019, and this star governs relationships, romance, career, travel, creativity, academic and artistic talents, wisdom and intelligence as well as self-development, making this a very powerful star. As we have the wood energy from the annual #4 star being fed by the inherent energy of the #1 water star, we can expect good things when the north is activated correctly in 2019.

The most powerful cure you can use to enhance the #4 star in the north during 2019 is the [Shixian Wish and romance enhancer](#). This enhancer is used to strengthen Peach Blossom and help increase wealth, romance, career, educational and relationship luck. You should also introduce some water colours like shades of blue, black, grey and you can introduce these colours with a doormat, rug, cushion cover, sofa throw, curtains or similar, it is very easy to do.

Make sure you follow the [2019 Flying Star \(Xuan Kong\) recommendations](#). If your office or bedroom is located in the north, please be aware that in the months of April and July 2019, and January 2020, you should make sure you at least place a [Six Chinese i-ching coins In a row](#) tied in a row with red ribbon for these months especially if you are not in good health or very stressed and especially for the eldest male or any male of a home or business. If you have a bedroom located in the centre, place Six Chinese i-ching coins In a row during February, May, and November.

### **Avoiding bad luck in 2019**

Looking at the chart above, you will see that we have the #2 black star enter the northeast of the lo shu in 2019 and we are going to need special cures and enhancers in the northeast to weaken the malevolent influence of this star. At the least, I would hang a set of six Chinese coins tied with red ribbon and also place a salt water cure in the northeast and southwest in 2019 to control and weaken the annual #2 and #5 stars. For full details on [2019 flying star analysis follow this link](#). This is very important in 2019 especially if you have the main door, bedroom, office, lounge or other important room in the southwest, south, southeast or northeast.

This is just a small part of what you can do to ensure 2019 will be a good year and to enhance 2019 further I would suggest checking out the [monthly almanac, flying stars and animal predictions](#) as it not only recommends good and bad days to carry out certain tasks, it will also advise if it is good for your animal sign.

### **The Three Killings – west (232.5 - 307.5)**

It's essential you avoid making any form of deafening renovations or re-decorative work in the west part of your home or office between 4th February 2019 and 3rd February 2020. You should not disturb the ground by digging holes (small holes for plants is fine), build foundations or conduct any maintenance work with any loud equipment in the areas inside or outside your property or garden.

If you have no option but to perform work in the west in 2019, I would recommend that you place a [six hollow rod metal wind chime](#) along with six Chinese I-Ching coins and a salt water cure in the west during 2019. We take this very seriously at the Feng Shui Store as we've seen some pretty nasty events over the past 38 years when this energy has been disturbed.

There are also another two other rules that you should follow regarding the Three Killings in 2019. Firstly, if you are moving your desk around this year, never sit with your back towards the west, it is better to face west instead.

If you have a door in the west in 2019, please take a lot of care when opening and closing the door to make sure it is not slammed. Settle and avoid the influence of the Three Killings by opening and shutting the door calmly or install a soft close hinge.

Urgent repairs to your home or office in the west during 2019 will need a cure to prevent any negative consequences. You can place a six hollow metal rod wind chime between the building and where the work is being carried out or ideally, contact a professional Feng Shui Consultant to select an auspicious date to start the work. Our [Tong Shui software](#) will also easily calculate the perfect time for you.

### **Tai Sui (The Grand Duke of Jupiter) - northwest (322.5° - 337.5°)**

Like the Three Killings, Tai Sui does not like to be disturbed either. The effects of Tai Sui can be good or bad depending on the annual flying stars that coincide with its location.

If your property or front door faces northwest in 2019, much like the Three Killings, you must try to avoid doors from slamming when entering or leaving your home or workplace. You should avoid digging or renovating your property in this area at all costs in 2019. If you have an office or shop door in the northwest this year, I would recommend installing a soft close attachment. The traditional Chinese method to appease Tai Sui is to place a Xie Tai Tai Sui plaque along with a Three immortals to pay respect and appease the Deity and also enhance the annual #9 star.

By paying respect to Grand Duke of Jupiter, we can weaken or avoid the problems this can bring.

### **Sui Po (Year Breaker) - southeast (142.5° - 157.5°)**

Sui Po year breaker occupies the division directly opposite Tai Sui Grand Duke, which for 2019 is the southeast. You should treat this area the same as the other annual afflictions with no ground-breaking work, renovations or any loud activities. If disturbed, this area can and usually will cause immediate health problems especially with regards to the elderly, so please be very careful with the southeast of your home or office this year. Traditionally to appease Sui Po in a Pig year, you need to display a 9 Tier Wen Chang Pagoda which works to appease Sui Po and also weaken the annual #7 in 2019 which we have included in all of our 2019 Cures and Enhancers Kits.

### **The annual five yellow star - southwest (202.5 - 247.5)**

The annual five yellow has flown to the southwest in 2019, and this is not good and the reason why so many specialist cures are needed in 2019. It is highly recommended not to disturb the southwest of your home or business with noisy activities, renovations or maintenance work this year. When disturbed, the Five Yellow can bring disaster, sickness, lawsuit and major loss of wealth so please be very careful in the southwest in 2019 as it is very afflicted. In 2019 you must place a set of six Chinese i-ching coins tied with red ribbon, a six-rod hollow metal wind chime and a salt water cure in the southwest to avoid the problems that are associated the #5 yellow disaster star.

Please do not start panicking if you have a bedroom or office that is located in the northeast, southeast, southwest or south in 2019; just start preparing to place your [2019 cures and enhancers kit](#) as of the 4th February 2019 to ensure a trouble free year and also cleanse any old cures that you will be reusing this year, and of course make sure you sign up for our free newsletter, so you are kept up to date with the monthly flying stars giving you even more control of your destiny.
